DR. W. EARL BROWN, Superintendent
South Bay Union High School District

The backbone of any high school is its administrative personnel. Mira Costa has a group of dedicated administrators and counselors who have helped through the years to make Mira Costa the top-rated school in the South Bay and one of the best in the entire state of California. The District administrators maintain a high standard of quality in the education of all students in the South Bay Union High School District.

Made Aware

The Mira Costa Social Studies Department is made up of more than mere instructors. Besides preparing us for our individual roles as responsible voting adults, the history and government teachers are the traditional "guardians of the school spirit," and contribute to the fact that Mira Costa is an exciting place to go to school.

The foreign language teachers give us a valuable tool for doing the work of world peace. The knowledge of a foreigner's native tongue is the first step toward understanding his way of life, and the foundation of good international relations.

Individuality in Self-Expression

It has been said that language is as much an art and as sure a refuge as paint or music or literature. Convinced of this, the teachers in the English Department try to instill in Mustangs an appreciation of the subtleties of our language, as well as to develop in us an awareness of great literature and an ease and clarity of self-expression. Beginning with the freshman course in mythology and the classics, the English teachers lead students through the discovery of English and American literature and the literature of the continent. By referring to great books, teachers make composition-writing and grammar study become interesting adventures instead of boring exercises. Training in the dramatic arts, speech, and journalism vary the English program and truly provide "something for everybody."

Mrs. Reed and the cast of the senior play put the finishing touches on a scene.

At Mira Costa, the Mathematics Department and the Science Department work together to prepare the Mustangs of today to be the technical and engineering specialists of tomorrow. Courses in higher mathematics teach our minds to think logically as well as to solve problems in our other classes and in everyday life. The study of the physical and natural sciences gives us a valuable understanding of the world around us.

The Music and Art Departments at Mira Costa foster in students a love of beauty and give them a chance to express themselves in creative activities of personal, as well as school benefit.

A beautifully laid table or a perfect layer cake is also a work of art and the ladies in the Homemaking Department teach Mira Costa coeds that being a well-rounded, accomplished woman is one of life's most intricate and important arts.

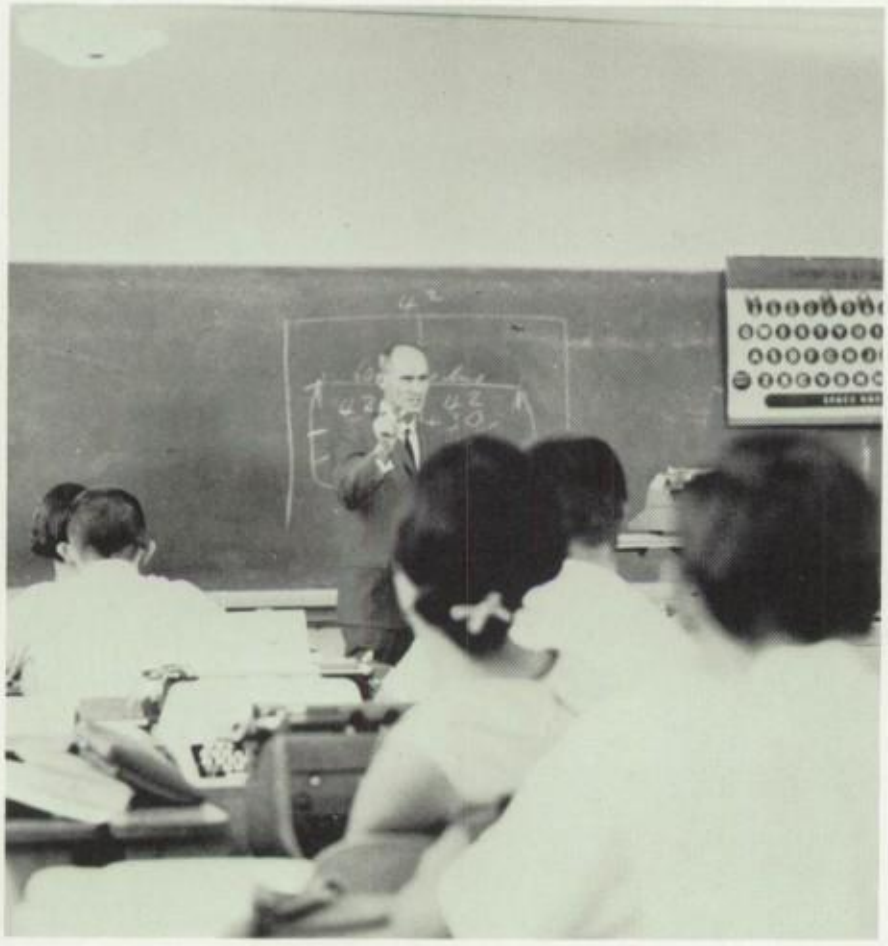
Achievement

The Industrial Arts Department at Mira Costa gives Mustangs a chance to use their own talent and abilities to produce tangible articles of practical value. In a shop class, a boy can actually see what he is getting out of his education. The secretarial and business skills taught by the Business Education teachers help prepare Mustangs for clerical work immediately after graduation as well as giving the college-bound students valuable tools to make their higher education a little easier to obtain.

Mr. Greene teaches a new letter to his beginning typers.



Mr. Brigham helps another young Mustang become a good "defensive" driver.

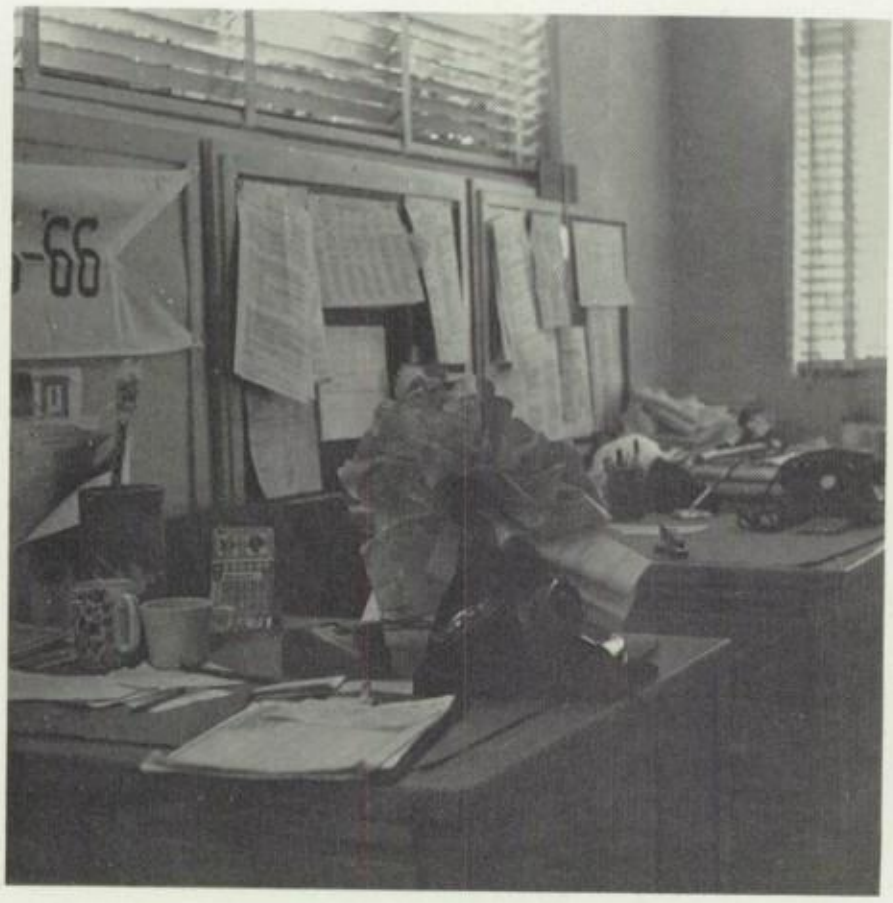
Make a Winning Team

The Physical Education teachers at Mira Costa have an important job—to help keep the students' bodies fit so that they can keep growing into sturdy adults. A well-rounded program of sports, plus such activities as synchronized swimming, Girl's Athletic Association, modern dance, Drill Team, and Pep Club make it fun for Mira Costa girls to be healthy. The boys keep strong by engaging in athletics at school and by competing with other schools in individual and team sports.



The girl's gym teachers keep messy desks but they have **soul**.

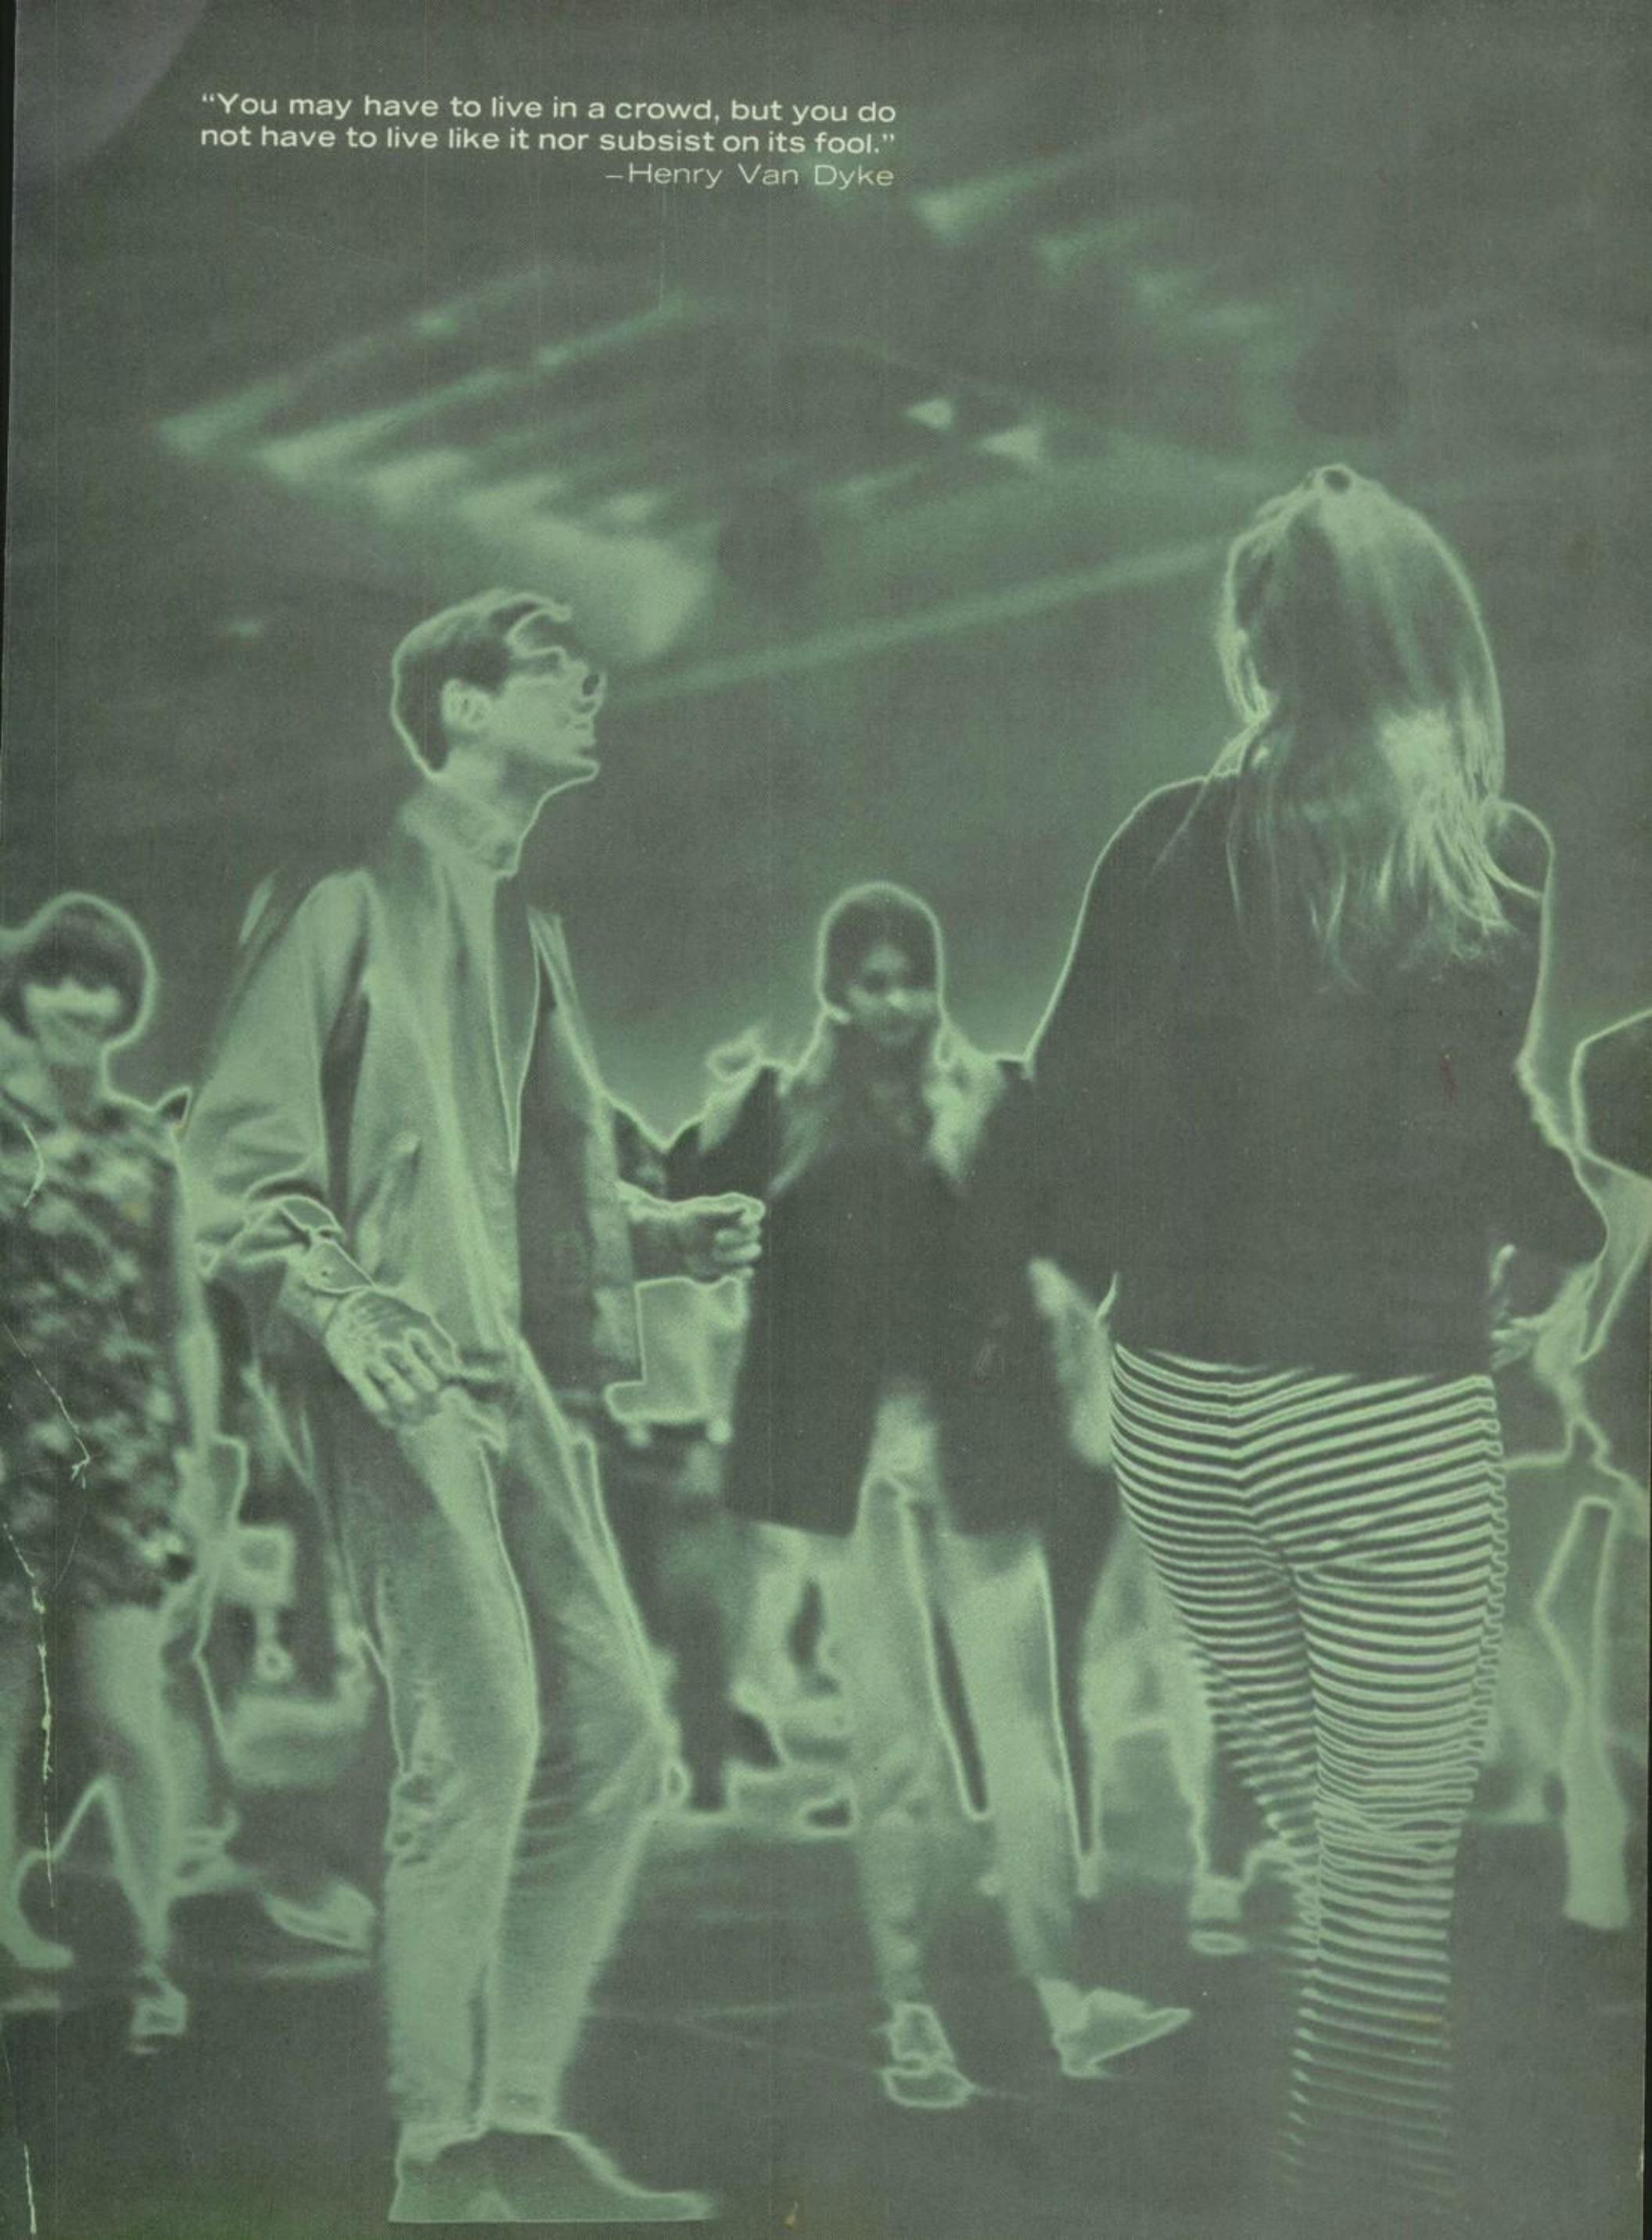
"You may have to live in a crowd, but you do not have to live like it nor subsist on its fool."
–Henry Van Dyke



Janet Strickley, a Student and a Leader

What makes a person an individual is not so much that he stands out in a crowd, but that he stands before the crowd as a leader. Janet Strickley has qualities of leadership, scholarship and fellowship which have made her an individual. During her four years at Mira Costa, Janet has been an active member of Girls' League and "S" Club, serving both the school and the community. In addition to these activities, she has been the historian of her class and a flag twirler in Pep Club. Yet with all her time consuming interests, Janet has stayed at the top of her class academically: she is a life member of the California Scholarship Federation. To honor her for her enthusiasm and achievements, Mira Costa students and faculty have named her Student of the Year, 1966-67.

Students Form

This year's representative at Girls' State was Michelle Sporcic.

This summer Michelle Sporcic, Gary Antzoulatos and Steve Parker spent a week in Sacramento at the 22nd annual Girls' and Boys' State. Students from California high schools learned how the state government functions by creating a mock government of their own.

The campaigning and elections of Girls' State took place at the University of California at Davis. The 550 girls began the week by making speeches and ended it with the announcement of "state officials". "Everyone was busy with their own campaigns but always had time for someone else," Michelle said of the girls at 'State'.

Gary Antzoulatos and Steve Parker spent their week on the Sacramento State fairgrounds forming jazz groups and holding elections. Both boys participated in the elections by running for office. Steve was elected police chief and county deputy sheriff. Gary was not as successful, but his city was – the governor was from Kerney. Both boys felt their week at 'State' was worthwhile.

Michelle, Gary and Steve said they now had a better understanding of what the State government is doing.

The University of California at Davis was the location for Girls' State.

Steve's counselor.

After the voting, the State Officials were announced.

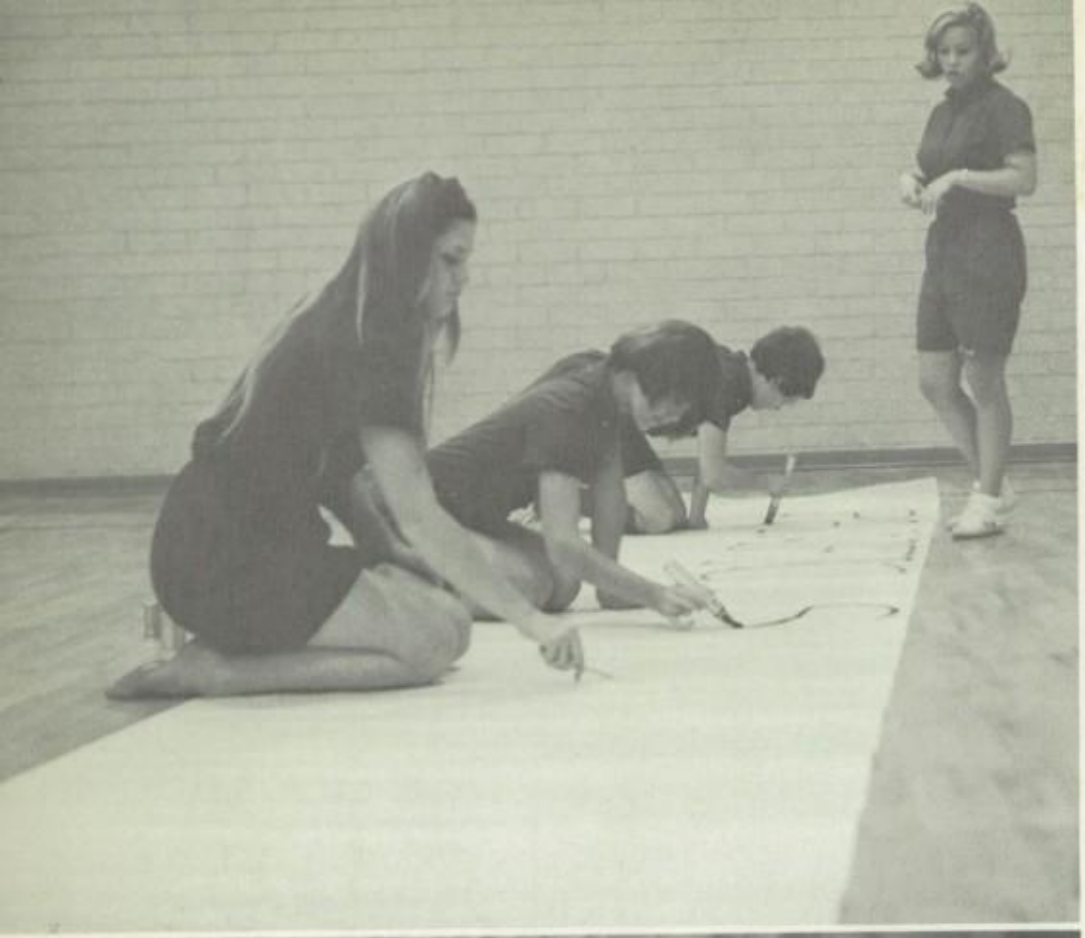
Gary Antzoulatos represented Mira Costa at Boys' State this summer.

Steve Parker also attended Boys' State for the week.

Presenting the 1966-67 Pep Club

Yell Leaders: Mary Jo Smith, Mike D'Amico, Suzie White, Steve Nowell, Harriet Nelson. Flag Twirlers: Cyd Walker, Sharon White, Linda Grazier, Janet Strickley. J.V. Yell Leaders: Wendy Sutherman, Asa Wilson, Vicki Townsend. Song Leaders: Denise Sinclair,

Frances Richardson, Margie Abbott, Kady Hoffman, Donna Sinclair. Melvin: Susie Magnus, Sandi Stockwell. Managers: Vicki Allen, Lori Gasnier, Gayle Ripley, Joanne Frey, Margie Craven. Majorettes: Claudia Croteau, Jeri Jorgenson.



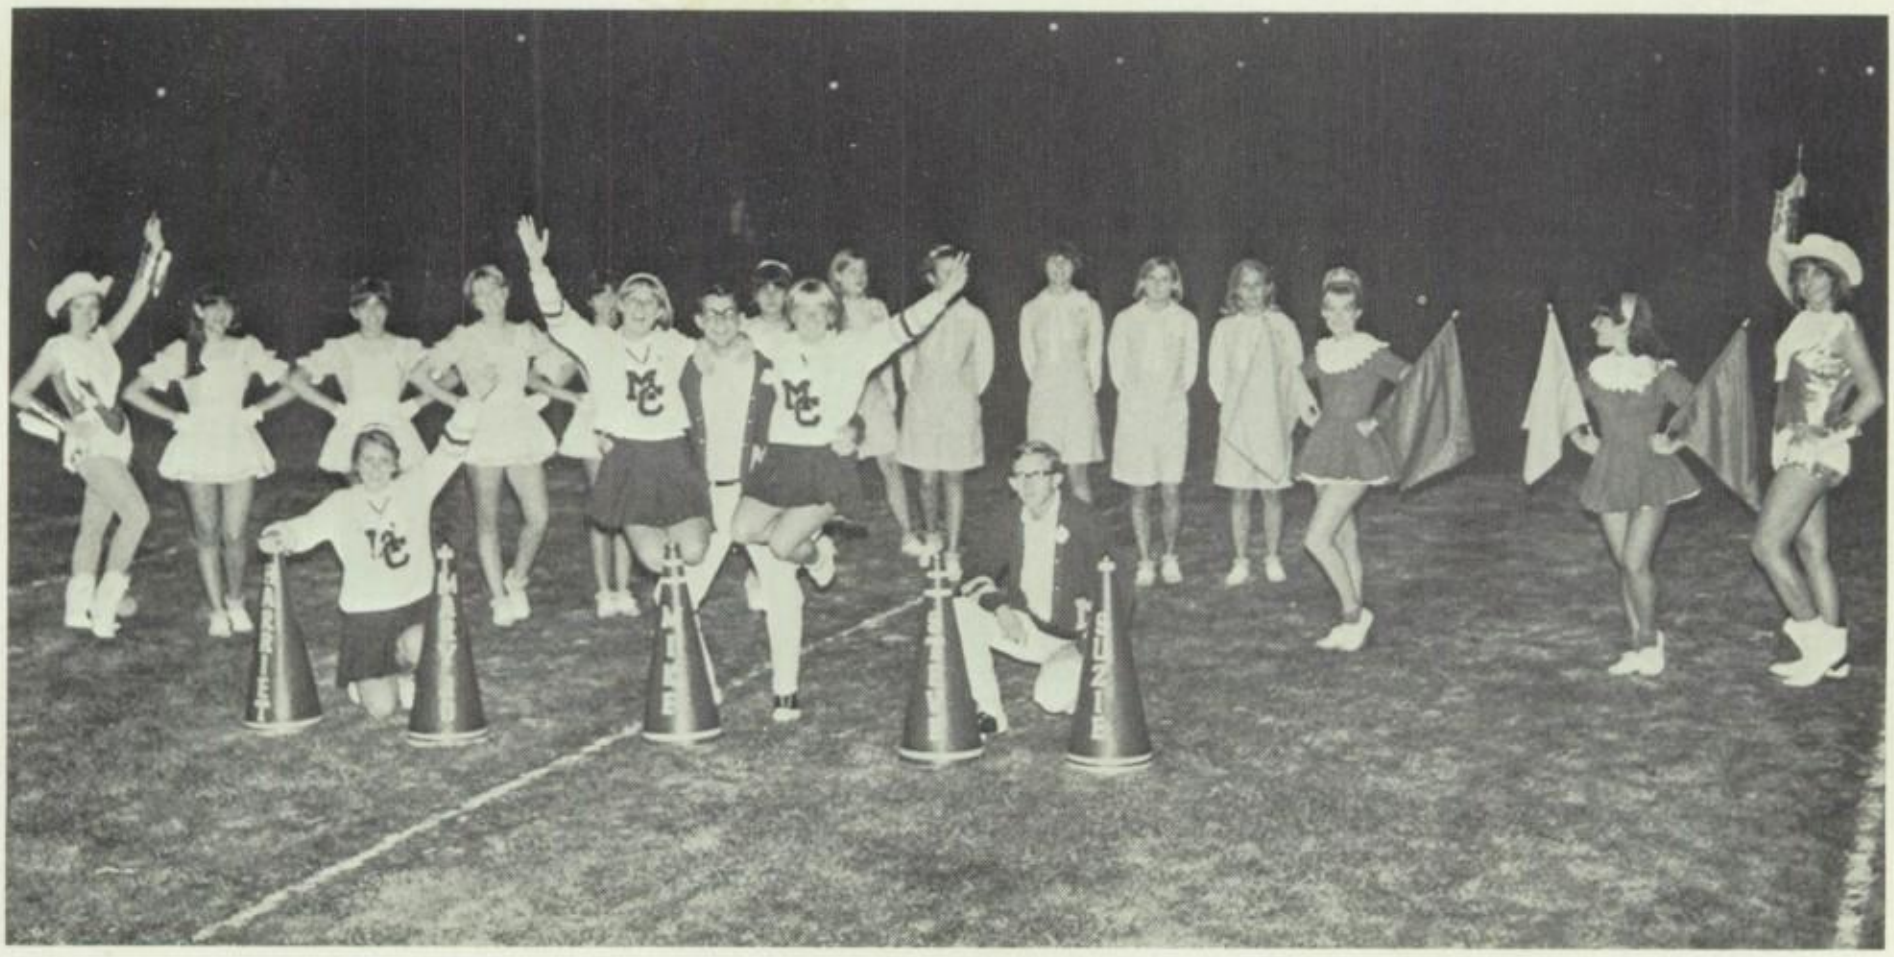
A Cooperative

Imagination and enthusiasm helped the 1966-67 Pep Club build spirit within itself and relate that spirit to the student body. The several groups worked together on combined routines for the games and pep rallies. The Pep Club members also joined in making skits for the rallies and signs reminding students of upcoming games and events. "Rebel Week", which will be well remembered by the entire school, brought Mustang spirit to an all-time high. Students wore Confederate hats, the teachers donned striped vests or corsages, and the Gaslight Dixieland Band played for a noon assembly. Through these activities and others, Pep Club was able to get everyone to truly support the team.

Pep Club, consisting of Yell Leaders, Song Leaders, Flag Twirlers, Managers, J.V. Yell Leaders, and Majorettes, was led this year by Vicki Allen, President; Sharon White, Secretary-Treasurer; and Mrs. Barbara Smith, advisor.

Mrs. Smith jokes with M.C. mascot, Melvin.

Effort Creates Spirited Mustangs



After each game, Pep Club performed a routine to the Alma Mater.

Yell Leaders pull a plucked Sea Hawk from the spirit jug at the exciting Redondo game.

Decorating goal posts was a job carried out each Friday by Pep Club members.

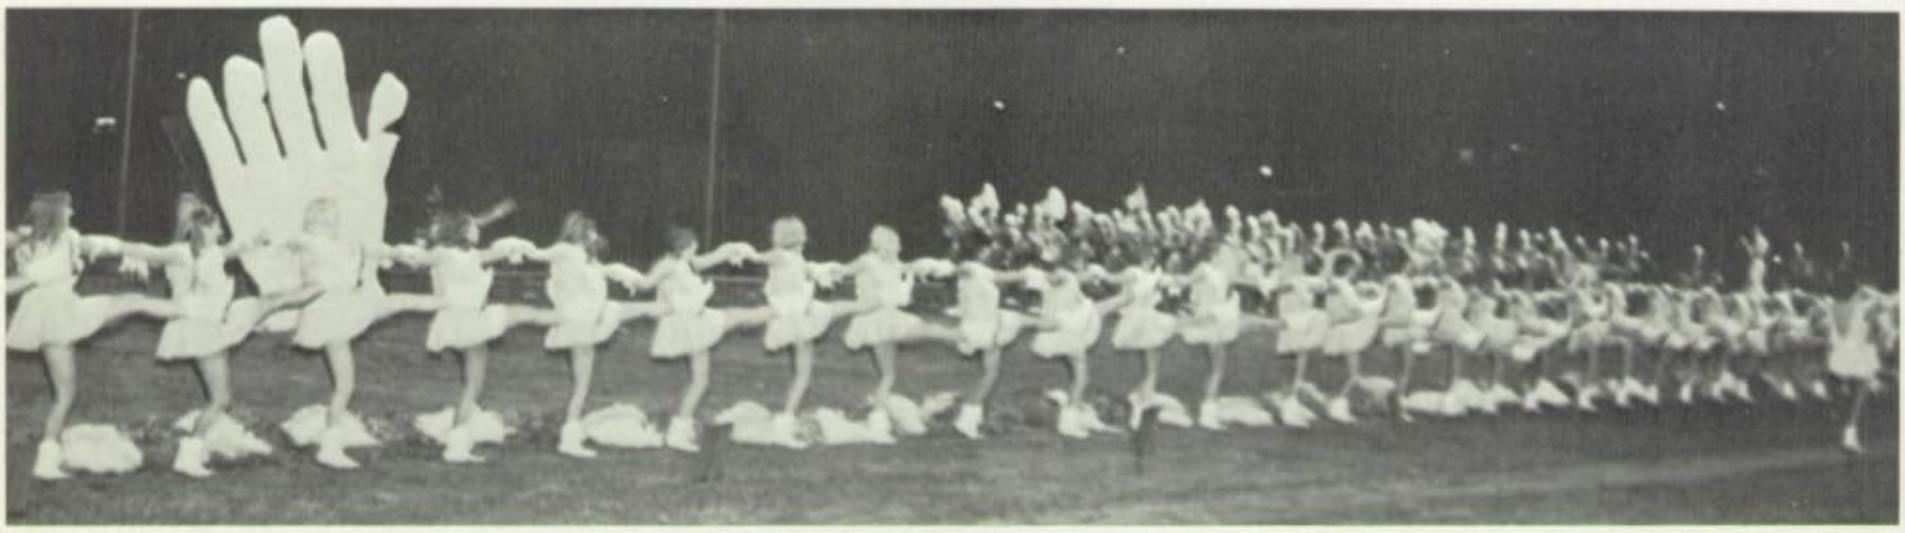
Micoettes High-Step Into Traditional Excellence

The Drill Team supplies much of the necessary spirit at football games.

Micoettes performed a high-kick routine to perfection.



Managers Lori Gasnier, Margie Craven, Vicki Allen, Gayle Ripley, and JoAnne Frey, provided all props used by the Micoettes.

Hours of practice go into successful half-time shows.

Under the excellent guidance of Mrs. Rohrer and the artistic ability of Mrs. Smith, the Drill Team had a very successful season.

"Introducing the Mira Costa Drill Team under the direction of Barbara Smith and Beverly Rohrer with student leaders Kris Segerblom, Laura Oviatt, and Colonel Karen Ripley."

The Micoettes made their first debut of the season performing to a "Broadway Shows" theme. The audience marveled at the chorus line high-kick routine to "No Business Like Show Business." The Band and Drill Team produced their own newspaper for their second appearance, with highlights "Stormy Weather" and "Good News." The "Tiajuana Brass" was the theme for the next show, featuring "The Lonely Bull." The Drill Team performed with glittered capes and banderilleras to captivate the audience during the last selection. The Band and Drill Team went "Down South" for the Redondo game with "Dixie" and "Sweet Georgia Brown" and a marching routine to "March of the Clowns." Colorful drums and decorated masks provided a mardi gras atmosphere for the show. To end the football season, Tom Geary was honored. By performing to his favorite selections of the season, the Band and Drill Team showed their sincere appreciation to him.

In addition to several fund raising projects such as the Third Annual Kick-Off Dinner, car washes, and bake sales, the Drill Team participated in parades during the spring.

Leaders Captains Kris Segerblom, Laura Oviatt, and Colonel Karen Ripley lead the Drill Team through halftime performances and parades.

Band Provides an Outlet for Talent

Concert Band members prepare for one of their many musical presentations performed during the year.

The Mira Costa High School Band stirred Mustangs on this past year during both school functions and outside activities. Under the capable leadership of student drum major Chris Wing and faculty director Mr. William Power, this year's "Green and Gold" provided a varied selection of well-known tunes for the traditional half-time shows during home football games, as well as the background music at the pep rallies and basketball games.

Later during the year, the marching band combined with the Concert Band to play at musical and spiritual assemblies, as well as community concerts.

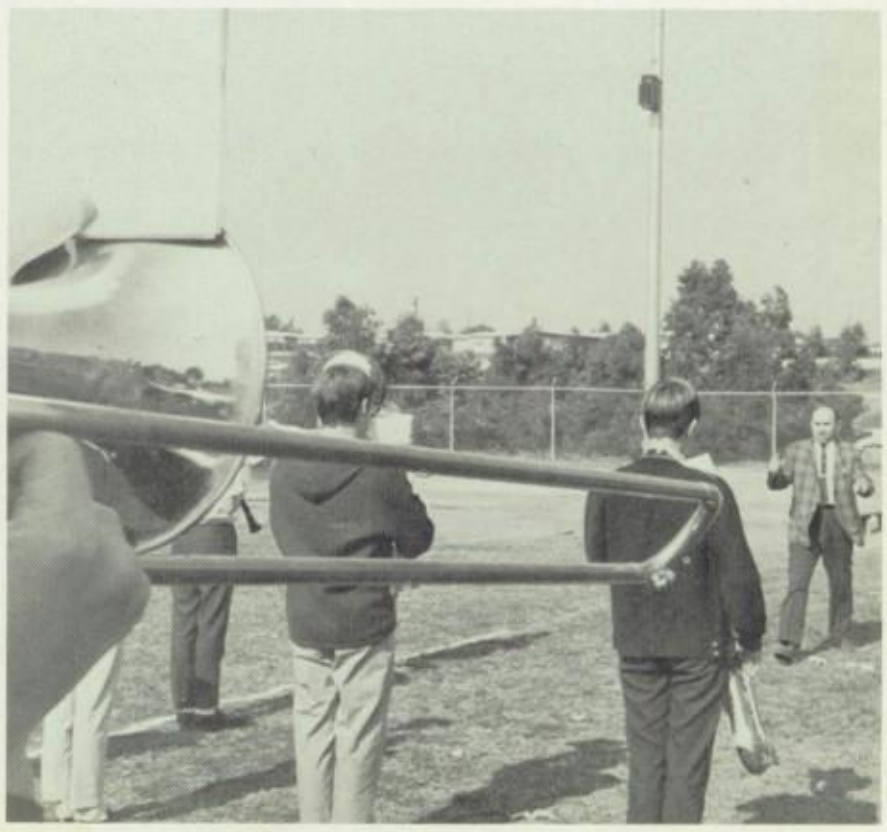
Mr. Power showed enthusiasm and discipline during strenuous band practices.



Student Government

Enthusiasm and excitement prevailed in the first and fourth quarter elections. The election weeks were sparked with an assortment of campaign devices: posters, car parades, class competition, T-shirts covered with slogans, and speeches. As a result of the weeks' spirited campaigning, 1293 students cast their votes.

Each of the seven officers was responsible for various jobs. The A.S.B. President presided over the Student Council meetings and was master of ceremonies at the student body assemblies. The main duty of the Vice-President was to take charge of the different committes in the Student Council. This year the office of Vice-President was extremely important. Bruce Fox assumed the position of president in lieu of Steve Tracy, our A.F.S. exchange student to Switzerland. The Secretary-Treasurer kept the official minutes of the council meetings and was in charge of all financial matters concerning the student body. These officers were assisted by the Commissioners of Publicity and Elections, Entertainment, Campus and Health, and Athletics. The Commissioners were responsible for various jobs and were members of the Student Council

The goal of the '67 HOOFPRINTS staff was to carry the theme of individuality throughout this year's edition of the annual. Accomplishing this goal, the staff has created a book which is entirely different from other previous publications of HOOFPRINTS. This edition of the yearbook stressed originality and creativeness. The theme pages were one example of the unique ideas which the staff put into HOOFPRINTS '67.

HOOFPRINTS '67 is bigger in outward appearance and inside contents than past yearbooks. To ensure quality as well as quantity, emphasis this year has been on the use of more color and a larger sports section.

The annual staff, along with co-editors Pam Gilmour and Margaret Neiswender, and Faculty advisor Mr. Anthony Scarcella, worked hard to give the students of Mira Costa a book which in the future they can proudly call representative of their school.

Assistant editors Janet Strickley and Karen Ripley glanced over a preliminary lay-out.

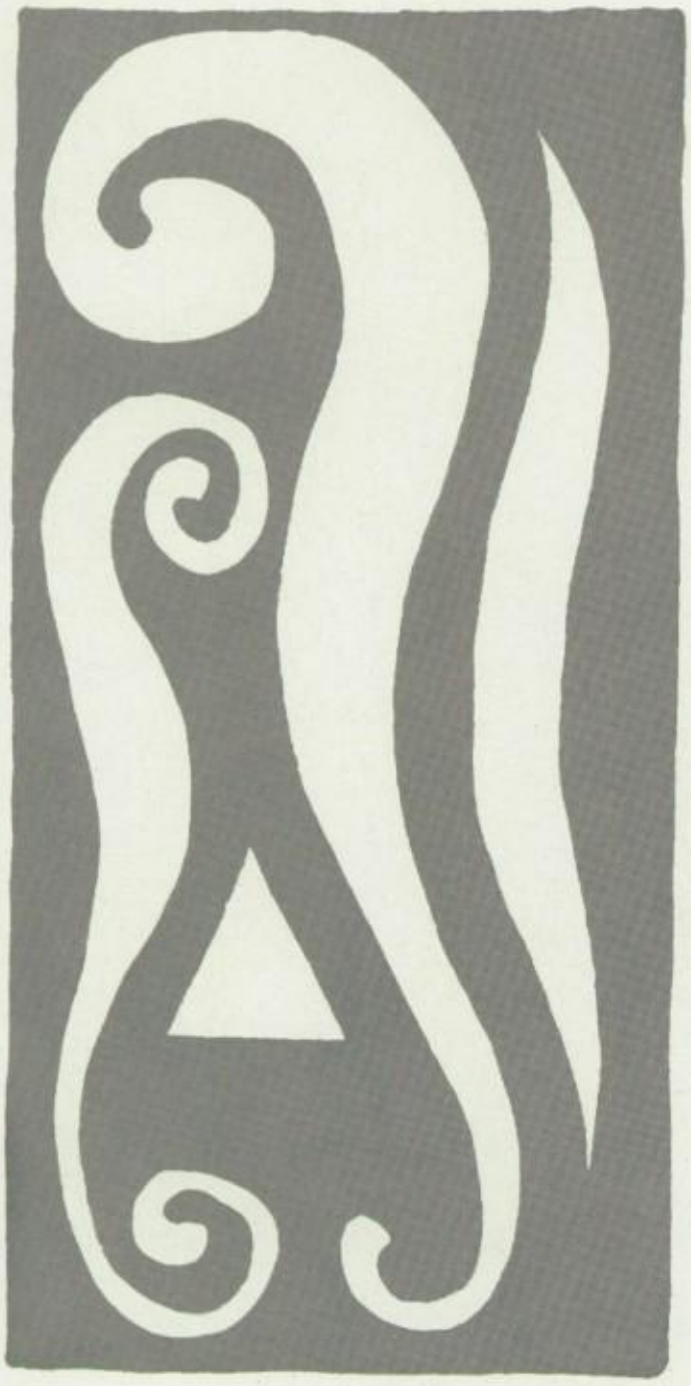
Encourages A Stronger Government



All students enrolled in Mira Costa High School are members of the Associated Student Body. The newly unified Student Council, composed of the Senate and House of Representatives, attempted during the past year to make everyone "wake-up" to what was happening politically, socially, academically, and financially in the school. This innovation was accomplished by class newsletters. The legislative body consists of A.S.B. officers, the presidents of all classes and campus organizations, and our foreign exchange students. Working with its mentor, Mr. Scarcella, the Student Council strived to show constructive progress in Mira Costa's student government.

The Girls' League Executive Board included Susan Bales, Harriet Nelson, Linda Grazier, Cyd Walker, and Wendy Beesley.

Girls' League has promoted friendship, cooperation, and service among the girls on the campus. In September the special Girls' League Assembly honored Mr. Alfeo Bernardi and some members of the Green Beret. With October came the Simplicity Style Show for the 9th Grade girls, election of Freshman Representatives, Girls' League Fall Conference, and voting for the Coronation Ball court. The main event of November was the girl-ask-boy Coronation Ball.

"Operation Happiness", the annual drive for canned goods and money for the needy of the area, was so successful this year that it was televised on Channel 4 and 11 and broadcasted on KKOP radio. Thanks to Mr. Douthwright and all the many participants in the drive, Christmas was a truly merry one for many underprivileged people of the South Bay. Unlike previous years, this year the Girls' League gave two scholarships to students who showed promise and financial need.

Honorary members of the Girls' League included Janet Strickley, Sandi Stockwell, Susan Heyman, Maria Francisco, Peggy Kratka, Kris Segerblom, Linda Wright, and Suyanne Naganidhi.

C.S.F. Honors Scholastic Superiority

The Mira Costa chapter of the California Scholarship Federation recognizes students who display academic excellence. An honorary organization, C.S.F. accepts students who have received a specified number of A's and B's in academic subjects. Membership must be renewed each semester. At graduation, seniors who have qualified for C.S.F. four of their last six semesters become "sealbearers", and receive a gold seal of commendation on their diplomas. Six semester members of C.S.F. become life members of the federation.

Besides these awards, C.S.F. members had two half day holidays this year. During the first semester students made their traditional journey to Disneyland, while second semester members enjoyed watching a prize-winning movie at a Hollywood theatre.

Boys' League, an organization for the male members of the Mira Costa student body, succeeded again this year in fostering enthusiasm and unity. During the football season, Boys' League members helped promote pre-game spirit by selling rooter ribbons, the proceeds of which went into various activities sponsored by the League. The Varsity Sweetheart Dance, one of the year's most outstanding annual events sponsored by the Boys' League, was held this year for the first time off-campus. Later in the year, the League sponsored a father-son banquet, honoring outstanding athletes. Boys' League was led this year by Josh Fredericks, President; Steve Abowitt, Vice-President; and Brad Patton, Secretary-Treasurer.

Camelot Creates a Knightly Ball

The days of King Arthur and his Round Table came to life once again as the Girls' League held their 15th annual Coronation Ball with the theme of "Camelot." Banners of purple, pink, and turquoise made the gym seem castle-like and the dancers feel almost a part of royalty. Last year's two Queens crowned Linda Wilson and Carl Dorland as their successors. Linda and Carl began the regal dance and were soon joined by the entire court, which included Janet Strickley, John Brownlee, Viki Dana, Tokuji Fujisawa, Pam Burnett, John Funk, Timme Brown, Doug Haga, Suzie White, Gary Antzoulatos, Mary Freiburghouse, Blair Ota, Vivien Connor, Steve Clinkenbeard, Donna Sinclair, Mike Acritas, Mary Jo Smith, Steve Parker, Linda Wright, Kent Scanlon, Sandi Stockwell, Eddie Applegate, King Carl Dorland, Queen Linda Wilson, Kris Segerblom, Chris Brubaker, Sue Nagandhi, Greg Simpson, Kady Hoffman, Gerald Abbott, Denise Sinclair, Vasek Polak, Harriet Nelson, Bruce Fox, Cindy Nessman, Jerry Zarogosa, Sharon White, Mike D'Amico, Shirley Johnson, Frank Bailey, Kim Harry, Steve Verry, Karen Ripley, Josh Fredricks, Linda Grazier, Dennis Wheeler, Margaret Ann Overton, John Featherstone, Jane Miho, and Steve Abowitt.

Imagination and creation, blended with a skillful touch of paste, thumbtacks, and knowledge from the arena of the Science Fair, brought a new look to the Mira Costa gym. At no other time of the year was the howling student replaced by the silence of graphic charts, computers, and the colorful reproduction of the human anatomy. However, the element of competition was still evident. Prizes were awarded to those students whose projects were most outstanding in five categories; Overall, Biological, Physical, Exhibits, and Posters. Like other events held in our gym, the desire to "be on top" stirred the imagination.

Senior Conferences Sit in Judgment

Making up the judicial branch of Mira Costa's government are the Boys' and Girls' Senior Conferences. Each is composed of five members who counsel and sit in judgment of students who violate dress and conduct standards. Their duty is to see that the campus is kept clean. The Boys' Senior Conference is under the direction of Mr. Anthony Scarcella, Director of Student Activities. Mrs. Catherine McVey, Vice Principal, acts as a sponsor of the Girls' Senior Conference. The year 1966-67 did not bring many incidents of misconduct which is an indication of the influence the counseling of these two groups has on the students.

The National Thespians Society is an honorary organization giving special recognition to outstanding students of drama. Members contribute to amateur productions on Mira Costa's campus and earn points for their service. Such committees as make-up, scenery, and costumes give the students a chance to earn points without actually performing. Each year, the Thespians contribute to the entertainment at Mira Costa by putting on a one act play. This year's production was entitled THE MAN WHO MARRIED A DUMB WIFE.

The Talented Class of 196

A modern fairy tale, and a Pulitzer-winning one, was 1966's senior play, "You Can't Take It With You", by George S. Kaufman and Moss Hart, shown December 9 and 10. Directed by Mrs. Sally Reed, the three-act comedy was set in 1936, in the Sycamore family's bizarre New York home.

Lovely young daughter Alice vainly strove to keep her fiance's parents away from her family's wonderland, where hand-printing, mask-making, erector set-building, ballet-dancing, and various eccentric activities abounded.

When the clans did meet, matters went awry; but, in true fairy-tale fashion, all "lived happily ever after".

The Kirby's arrive 24 hours early for dinner and catch the Sycamore household in their natural state.

With the job well done behind them, the cast gathers for a portrait.

Mira Costa Enjoys

Occasional clashes between Calamity Jane and Wild Bill Hickock were the only excitement in Deadwood until the idolized Adelaid Adams performed at the Golden Garter. Although Katie Brown impersonated Miss Adams, she was welcomed by the citizens of Deadwood. As far as Calamity was concerned, though, Katie was only a problem—Lieutenant Danny Gilmartin became Katie's boyfriend. Calamity's jealousy did not last long, however, because she and Wild Bill fell in love.

Clothes Make the Mustang . . .

This was the year that was; the "London Look", the class-jazz, the military styling, all created exclusively for the individual. Students at Mira Costa reflected current trends, more, perhaps, than in any other era of fashion. This reflection did not, however, result in mass conformity. Instead, variety and versatility of colors, fabrics, and stylings gave Mustangs ample opportunity to be themselves. For the girls, gold and plum were highlighted in their choice of pantsuits and dress suits, little-girl dresses, skirts and sweaters, shoes and other accessories. Corduroy and suede were popular fabrics in boys' dress, and were used in a majority of their sport and dress clothes.

1966-'67, a year always to be remembered, and never to be forgotten.

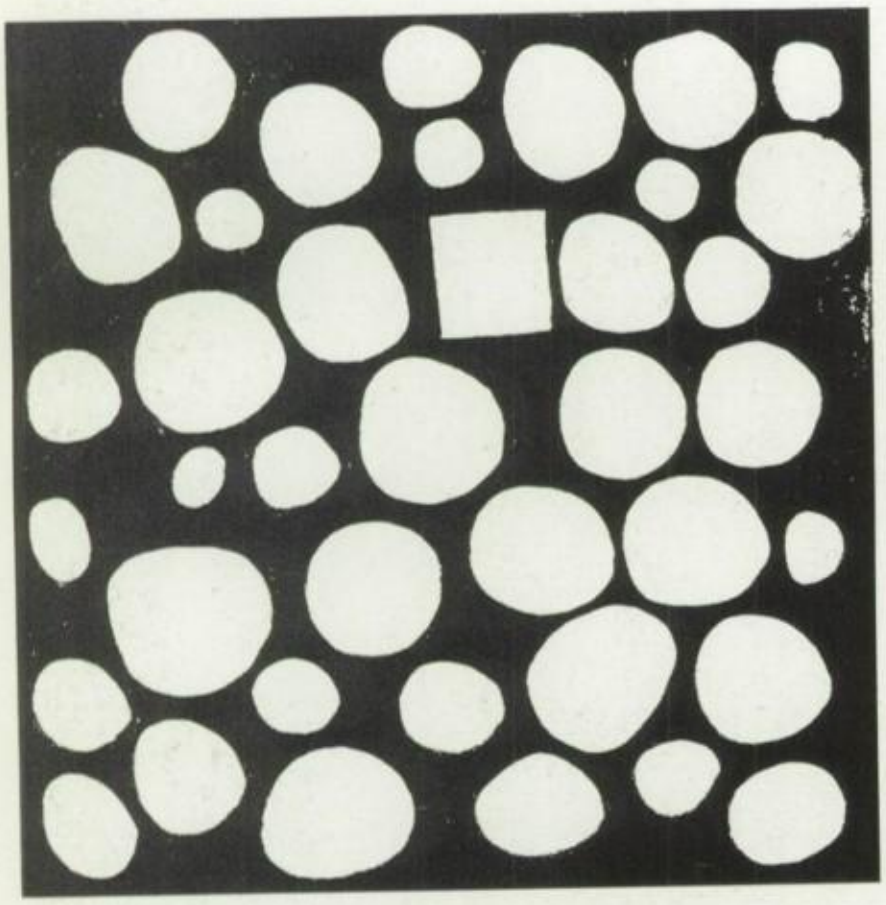
Individual Talents Bring



Mr. Robert Wilhelm, a first year member of the faculty, directed the Thanksgiving and Christmas Assemblies in the fall, and the Easter Assembly later in the year. The choir was accompanied by Mrs. Adeline Crable and by the band during the assemblies. These performances are annual events at Mira Costa, and are always well received by the student body.

In spite of all the time spent preparing for these assemblies, many of the band and choir members participated in the musical comedy CALAMITY JANE. Dala Stoten, Merlyn Latham and Chris Brubaker, all from the choir, had the three main parts in the play.

The choral department was very proud of its outstanding efforts this year, and hopes to continue its success in the future.

The National Forensic League's greatest attribute is the encouragement and incentive it gives to students to become effective speakers and thus, more successful, influential citizens.

The Business Education club impresses the development of aggressive leadership upon the members of the club. The club members join in trying to strengthen their confidence and their working methods.

The Future

One of our artistic art teachers, Miss Yahiro, is the director of the Artisans club. The students produce exotic, modern, abstract, and interesting paintings. They work together to develop their art appreciation and they observe each other's work and learn from it.

To promote interest in the field of teaching is the main objective of the members of the Future Teachers club. Every year the members look forward to a traditional field trip to a place of special interest to future teachers. These twenty-four girls join together in being of service to the school and the community.

Junior Achievement is a program organized to train and advise teen-agers on how to manage a business and to help them gain experience from the adults in local commercial enterprises.

The Music club is designed to discover musical talent throughout school. The enthusiastic members combine their thoughts and ideas on promoting the understanding and appreciation of music in various phases.

Service Are Individualism

The Shakespeare Club, sponsored by Mr. Larry Roupe promotes interest in Shakespeare by presenting the plays as live dramas. As the chairman of another literary club, The Tolkien Society, Galen Peoples says of Tolkien's works, "These are 'love-books'; and we have chosen the longest, noblest, and most diverse to idolize." Mr. Robert Sumpter is the sponsor of the club.

Under the title of "service" are the Carites and SAM. Carites is headed by sponsor, Mrs. Norma Cones. This club serves the school and community through public organizations and also visits rest homes and hospitals. Miss Eva Risnel sponsors quite a different service club, Serving All Military (SAM), which aids the military services with volunteer help and service actions.

International Understanding Through Language

This year the language clubs on campus have attracted a very enthusiastic group of students. Through their individual activities and contacts the French Club, Junior Classical League, and Los Casteleanos promote interest and understanding. As is traditional of the language clubs the officers conferred on the Eighth Annual Junior Classical League Banquet which was held May 19, in the cafeteria. This year the tri-club function was sponsored by the Spanish Club, the classical affair took on a "South of the Border" atmosphere. Taking an interest in the foreign countries of today and yesterday, our language students bring Micohi into the world community.

Science, in spite of its contributions to progress – spacecraft, vaccines and computers – has often been blamed with replacing man's imagination with machines. Yet the opposite is actually true. Man's progress is a monument to his individuality and imagination. The science clubs at Mira Costa have developed and broadened the interests of their members by frequent field trips this year. The Biology Club and Oceanography Club's safaris to the tide pools were well known on campus. The Astronomy Club climbed up the great mountain to the Griffith Park Planetarium to see various astronomical phenomena while the Chemistry Club threatened to demolish the laboratory during 7:00 a.m. experiments. Our Physics Club was known for wandering around various science institutions in the area promoting engineering and physics to unknown passersby.

Individuality Is Expressed in Costan's

Since the Chess club was first organized the members have become more skilled at the game. They meet on Tuesday to cross Queen's pawn and Knight's Gambit.

The newly formed Flying club is gradually gaining altitude. The students associated with this club are learning the techniques and skills involved in flying.

Individuality is promoted by the Kite Flyers. This club also promotes physical fitness and makes its members more aware of natural beauty.

Mr. Wilcox is the energetic sponsor of the newly formed Unicycle club. During the meetings, instruction and demonstration in the art of riding a unicycle are taught.

Ham radio operators gain valuable experience in their hobby through membership in the Radio club. The purpose of the club is to train members to send and receive Morse code.

From the time of the Greeks people have drawn pleasure and excitement from sports. They offer an opportunity for athletes to attain success through both team effort and individual initiative. Mira Costa, by emphasizing athletic competition for its students, develops the individual as a total person, capable of excellence in the classroom and in the gym.

The Bowling Club is sponsored by Mr. Arthur DeSantis and Mr. Walter Douthwright. It is a competive club whose plans included bowling tournaments with near-by schools and among club members this year. The Golf Club, sponsored by Mrs. Elizabeth Cottle, played golf after school as often as possible to develop skill and for enjoyment.

Age-Old Sports

Track and wrestling are inherently sports for the individual, and take great self discipline and skill. Those who belonged to the Wrestling Club this year gained experience through timing and keeping score during matches while others participated. Mr. Jack Fernandez is the club's sponsor.

The Track Club is sponsored by Mr. Ed Austin. The activities of this year's track enthusiasts included hosting the annual Junior High Cross Country Meet and holding a very successful record sale in December.

Miss Lynn Richardson and the Misters Art Balbini, Dave Scott, and Jeff Verner were sponsors of this year's Ski Club. A very large club, the members promoted skiing by planning and taking several ski trips.

As in all sports the thrill of skiing is found in the challenge to one's skill and in one's heart–for it is the individual who determines his aspirations.

The Mira Costa Varsity football squad, coached and inspired by Mr. Pete Austin, Mr. William Cooper, and Mr. Carl Mersola, experienced a season made up of courage and heartbreak.

Though the Mustang squad suffered nine defeats, the team never stopped fighting. After gaining experience in their first six games the squad rolled into their three remaining games with one thing in mind: to defeat the three league leaders. The three weeks that followed proved to everyone that Mira Costa had a respected football team. The boys became men, and experienced both happiness and sadness as Santa Monica, Redondo and Inglewood quickly found that Micohi came to play football and rebuild its prestige. The sign in the boys' gym, "When the Going Gets Tough, the Tough Gets Going." was proven by our team.

MIRA COSTA 13
BISHOP MONTGOMERY 32

Mira Costa's opening game of the season against the Bishop Montgomery Knights ended in defeat. Outstanding efforts by Steve Verry and Pat Moore were not enough to rally the Mustangs to victory.

MIRA COSTA 6 CULVER CITY 13

The Mustangs tangled with the Centars in a closely contested game. Guard Cohen and back Featherstone proved to be the spark of the team. The blow of the game came with the loss of fullback Steve Verry during the second quarter.

MIRA COSTA 0 DOMINGUEZ 19

Dominguez's swift backs proved too much for the Mustang defensive squad in the first half. However, Micohi held the Dons to fifty yards in the final quarter.

MIRA COSTA 6 NORTH 19

An injury-ridden Mustang team could not cope with North's offensive running backs. Featherstone scored the only Mustang touchdown in the third quarter on a thirty yard screen pass.

MIRA COSTA 18 HAWTHORNE 23

The Mustang's newly developed "shotgun offense" nearly brought defeat to the Cougars. Vick Hudson, Phil Kaufman, and the Moore to Featherstone passing combination were not enough as Hawthorne prevailed 23 to 18.

MIRA COSTA 18 SOUTH 35

Two South touchdowns in the first minutes of the fourth quarter spelled defeat for the Mustangs. Featherstone scored three times for Micohi while Moore played brilliantly at defensive end.

MIRA COSTA 7 SANTA MONICA 19

The Mira Costa Mustangs fought hard against the swift Samohi Vikings. An outstanding display of defensive play was exhibited by Vick Hudson, Al Cohen, and Brian Miller.

MIRA COSTA 20 REDONDO 21

This game was the most heartbreaking contest in Micohi's football season. A Mustang game until the final period, the Seahawks fought back to escape victorious.

MIRA COSTA 6 INGLEWOOD 7

In their final contest the determined Mustangs nearly dumped the league-leading Sentinals. With Moore running the shotgun offense and Featherstone catching eleven of his passes, Micohi ended the season very much respected.

After nine games consisting of five wins and four losses, the "B" team managed to clinch third place in the Bay League. These victories were led by Captain Nick Samudio with a different co-captain appointed for each game. Coach Rhodes said that the defensive team this year was the best in many years. Senior Bob Richmond added the most to the offensive team. The highlight of the season was the Redondo game in which Mira Costa beat the Seahawks 19 to 17.

The Mira Costa "C" football team, led by Coaches Ernie Hernandez and Michael Giannini, completed a successful year of play by placing fourth in the Bay League with a 4-4 record. With hard practice and great spirit the Colts gained valuable experience for next year when they will face tougher competition.

This year's team was led by freshmen Barry Malony and Jerry Taylor, who performed well all season. With a hard-fought 13-0 victory over Redondo's Seahawks, Coach Hernandez called this year's play "very successful".

The Micohi 1966-67 Varsity wrestling team ranked high in all competition again this year. The Mustang team tied for first place with South High for the Bay League championship. They were undefeated in individual meet competition, extending their winning streak to thirty consecutive dual meet victories over a four-year period. The Mustang grapplers took first place in the Simi Valley Tournament and second in the Mira Costa and the El Camino Tournaments.

Leading the team of outstanding wrestlers were Al Cohen, John Norris, and John Funk. These wrestlers placed first in the Mira Costa, Simi Valley, and El Camino Tournaments and were undefeated in Bay League dual meet competition.

After being defeated by North High, the Mustangs, with a fast-breaking offense, easily defeated Hawthorne. The Mustangs defeated South when Rahn sank a turn around shot with three seconds remaining. Against Redondo, the Bees did not fare so well, as Redondo defeated the Mustangs. At Santa Monica, the Mustangs lost, with the Vikings hitting the winning shot as the buzzer sounded.

Mr. Larry Bark, swimming coach, directs his Varsity, Bee and Cee teams.

Last year the 1966 Varsity team consisted of sixteen Varsity Lettermen, of whom thirteen were seniors. Only three Varsity members returned this year and so the team, made up mostly of sophomores, was not very experienced in Varsity competition. After developing the strength and ability needed for the league competition, the Varsity swim team closed out the season with six wins against El Segundo, Inglewood, Morningside, Long Beach Poly, Redondo, and Oceanside. The two losses were against Santa Monica and Rolling Hills. Through the victories of the Varsity team, Mira Costa was able to take first in all events at the Bay League Relays. Mira Costa took second place overall in the Bay League. Mr. Bark commented that the team should be even better next year because the younger swimmers will be more prepared for the meets.

Demonstrate Their Special Talents

The Mira Costa swim teams specialize in four strokes: the free style, breast stroke, butterfly, and back stroke. Most schools have swimmers that specialize in the free style and only have a few good swimmers in the other strokes. Mira Costa has been very fortunate, however, because of the versatile swimming abilities of the teams. At the meets there are medley relays in which four swimmers of the same specialty swim 50 yards each. Other relays include 50, 100, 200, and 400 yards of the free style, butterfly, breast stroke, and back stroke. The Varsity swims the longer distances and the Bees and Cees swim the shorter sprints.

Winning Streak

Mira Costa's Bee and Cee swimming teams finished this year with a perfect swimming record. M.C. Bees have placed first for the last two years and M.C. Cees have placed first since 1963. Mr. Larry Bark, swimming coach, commented that his Bee team is the finest group of sophomores in the school's history. In CIF relays they placed third and they led the league in CIF swimming qualifiers. The Bees won all events in the Bay League relays and hold a record of twenty-four straight wins. The Cee team, made up mostly of freshmen, is undefeated with a twenty-three game winning streak.

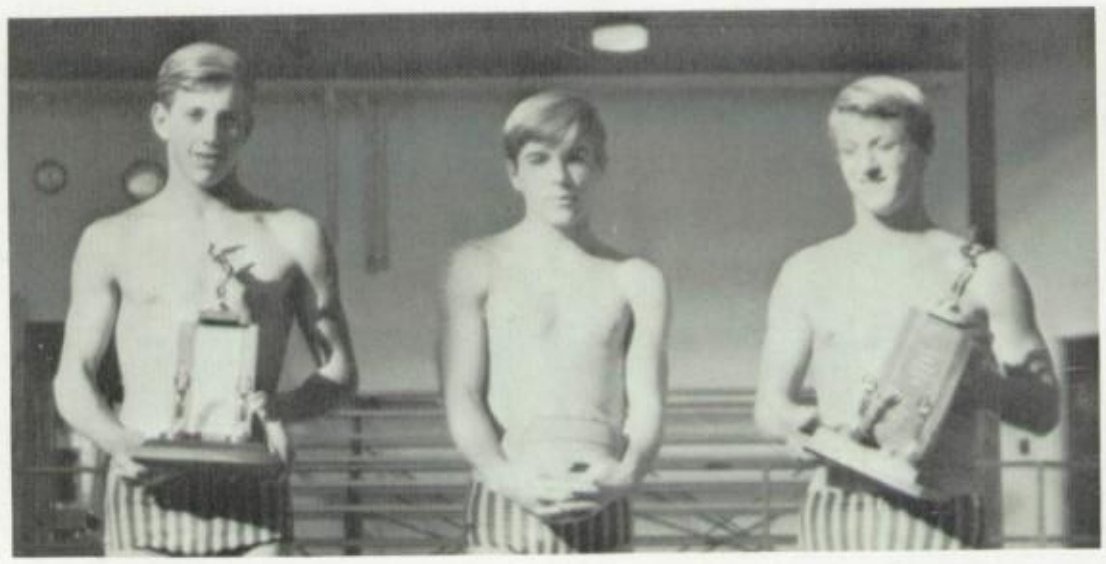
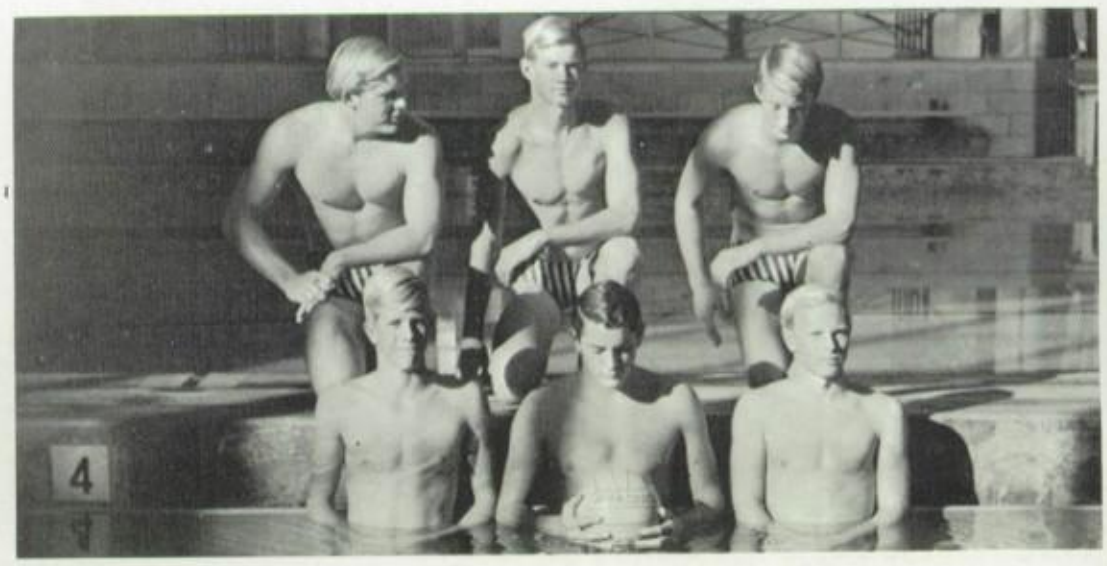
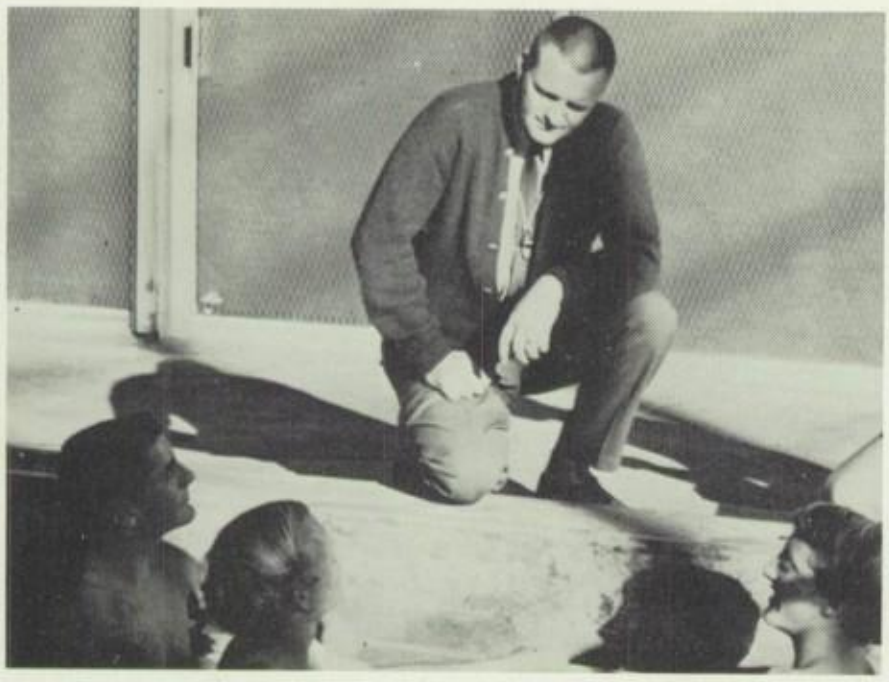
Captain Carl Dorland finds it difficult maintaining his superiority over underclassman teammate Curt Caldwell.



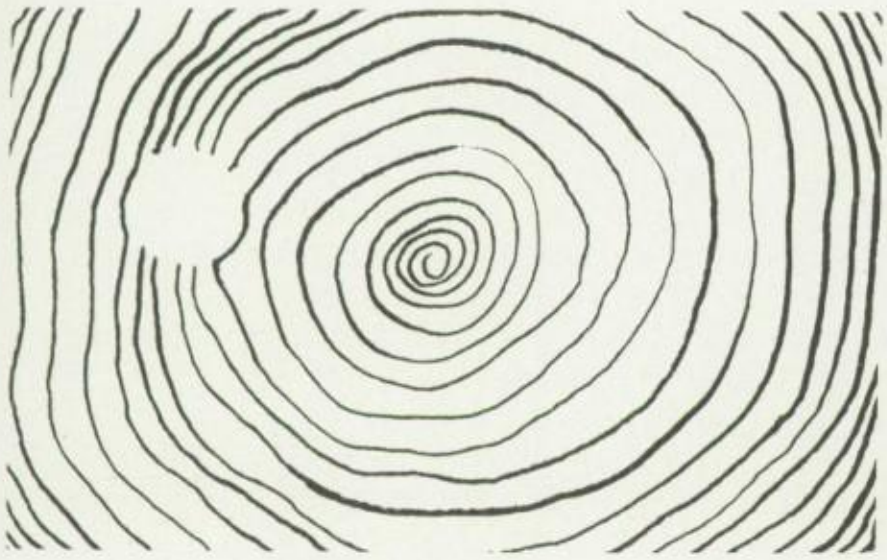
Team Captains Andy Keene, Eddie Barker, and Carl Dorland led their teams to a successful season.

Bob Witt, Tom Rawlings, Wayne Becking, Steve Barger, Curt Caldwell, and Carl Dorland were selected to be on All Bay League teams.





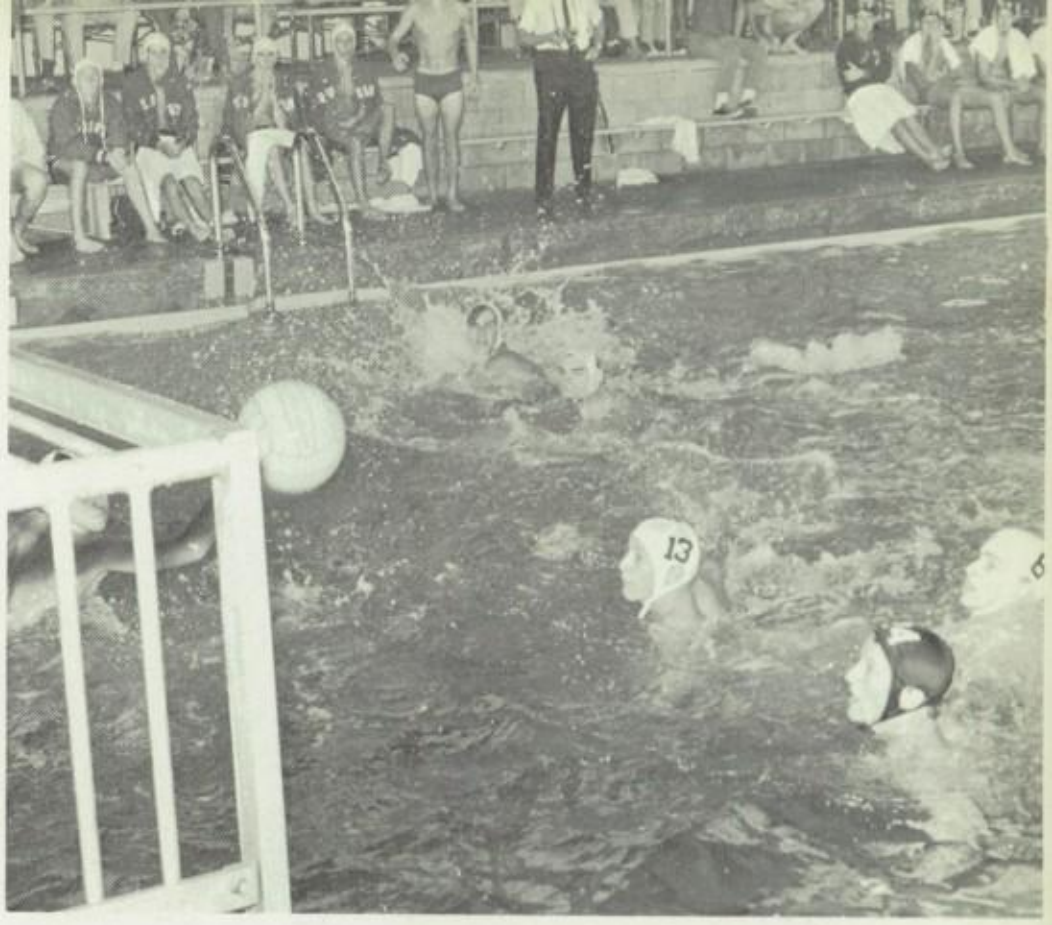
Coach Larry Bark has guided the Water Polo Team to the Bay League Championship for five of his six years at Mira Costa.

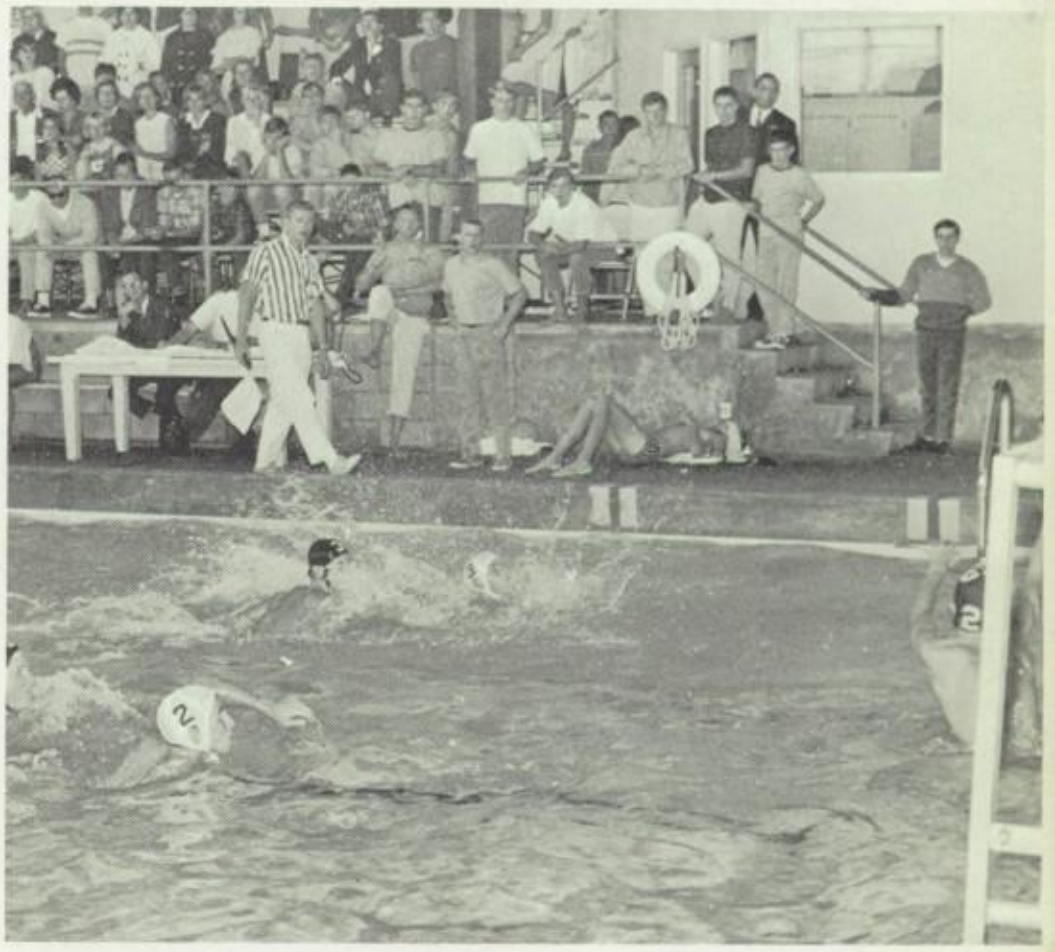


For the fifth time in six years, Mira Costa's Varsity Water Poloists dominated the Bay League and went on to the CIF playoffs. Holding down losses to one game with Santa Monica, which resulted in a close 11-10 score, the Varsity once again gave an outstanding display of their talents, and finished the League with a record of seven wins and one loss.

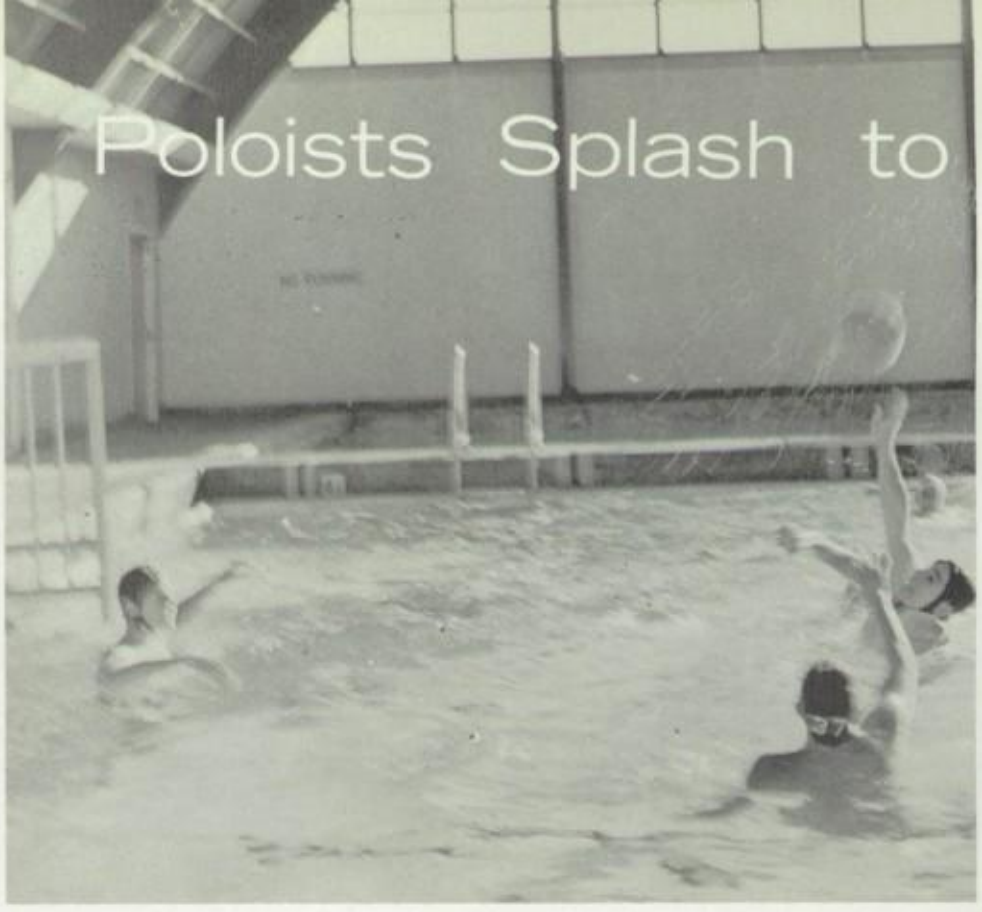
High scorers Carl Dorland and Tom Rawlings, guard Steve Barger, and goalie Curt Caldwell were singled out by the area coaches for the All Bay League First Team. Bob Witt and Wayne Becking were named to the Second Team. Tom Shake and Dennis Long received honorable mentions. Throughout the season these outstanding players were backed by the solid support of teammates Rob Mohle, Dave Billing, Dana Simpson, Mark Kerwin, Reimer Hutten, Manager Brian Patrick, and Coach Larry Bark.

Mira Costans are proud to salute the starring talents and hard training which brought this year's champion Water Polo team widespread recognition.





Bee and Cee Poloists Splash to



Coach Bark congratulates his Bee Poloists on the successful tactics which brought them another undefeated season.

For the sixth straight year the Bee Water Polo Team brought home the Bay League Title with eight wins and no losses. Forwards Andy Keene, with 26 goals, and Mark Kerwin, with 15 goals, sparked the champion Bees to a victorious total of 97 goals. Goalie Rob Mohle provided the outstanding defense needed to hold the total goals of the opposition to a low 33 for the season.

The Bees went on to place second in the Oxnard Bee Tournament, losing only to Corona Del Mar, after successful attempts to defeat Buena 6-5 and Oxnard 4-3.

The Cee Team shows promise of keeping Mira Costa in the dominant position in Bay League Water Polo. With an upset loss to Inglewood on the first time out, Mira Costa trailed only Santa Monica at season's end. Captain Eddie Barker, with 38 goals, and Rob McGowan, with 12 goals, helped pile up the Cee's massive 64 points. Goalies Phil Raush and John Guild helped provide the defense which kept opponents' season total to a low 39 points.

Harriers Cop Bay League Title

In one of the toughest leagues in C.I.F., Mira Costa distance men captured a first place tie with 1965 champion South and with arch rival Redondo. All three teams finished the season with identical 4-1 standings in the Bay League.

Early in October the Mico harriers traveled to Redondo for the annual District Meet. Mira Costa overcame opposition from Redondo and Aviation. Later Redondo beat South, but Mira Costa fell to South in her only defeat of the season.

Returning lettermen were juniors Tony Baker, John Sepulveda, and Cal Stevens. New varsity members were senior Frank Bailey, junior Larry Weisal, and sophomores Rick Baker and Moses Jimenez.

Because of cross country coach Ed Austin's enthusiasm for victory, he demanded excellence from his team. With all but one of this year's varsity returning next year, coach Austin feels that the future of Micohi cross country competition looks promising.

This year there were two modern dance classes headed by Mrs. Hankins. The beginning class was introduced to the basic techniques of modern dance, rhythmic exercises, and composition. The advanced class took their basic knowledge and expanded it into choreography and performances, while steadily improving their skills by practicing technique series.

Modern dance went beyond classroom participation and into the school musical production, "Calamity Jane." The classes also staged their annual Modern Dance Show on June 2, in which they demonstrated the skills they had developed during the year.

The synchronized swimming class gave girls the opportunity to participate in advanced aquatic skills. For the second consecutive year the class was taught by Miss Jo Ann Miller. Miss Miller was also assisted by an elected Board of Directors: Head Director, Debi Miles; Director, Margaret Homes; Director, Cecily Monahan. The Board was responsible for the production of the annual synchronized swimming show, which was held in May. This year the swim class chose as a theme "Bubbles and Books," with the idea that the theme of each routine be taken from a famous book and illustrated in the water.

The powerful Mira Costa Track and Field Team completed a season filled with hard work and determination. Practice began in early fall with training at the beach and continued on our field until the first meet in late February. Coached by Ed Austen, Carl Mersola, and Jerry Quigley, the team never lost spirit or the drive to win. Much of the team's strength relied on distance runner Tony Baker, pole vaulter Charles Nunnelly, high jumper Pat Haley, and shot putter Dan Woolley. Hurdlers Doug Woolley, Mark Lawlor, and Larry Weisel and long jumper Bob Graul further strengthened the team by their dependable finishes.

Clay Shepherd begins 100 yard sprint.

The "B" Track Team demonstrated strength and ability this season. One highlight came early in the season during the Mira Costa Relays when a new record was set in the 880 Medley Relay. Clay Shepherd, Mike Downs, Tom Jackson, and Tony Baker finished with the time of 6:07.4. Other strength within the team consisted of hurdlers Pete Pheiffer and Eric Cole and three fine shot putters, Bill Markland, Rick Ziegler and Mike Blue. It was record-breaking performances, individual efforts, and team spirit that led the team to their many victories.

ROW ONE: W. Marklamd, M. Blue, R. Ziegler, R. Hessenius, B. Moler, R. Garret. ROW TWO: D. Bennett, K. Smith, C. Williams, W. Sanford, T. Bailey, P. Ambriz, H. Hanson. ROW THREE: T. Howell, P. to B and C Teams

The "C" Track Team showed all of the strength and endurance of the Varsity and "B" teams. The team concentrated on developing skill and form and on learning the fundamentals of track. Leading the team was all-around man Craig Von and sprinter Mat Cole. Being part of the "C" Team was only the first step on the way to participating in higher competition in later years at Mira Costa.

ROW ONE: S. Brown, B. Johnson, D. McGauley, C. Vaughn, F. Smutz, J. Ulstad, R. Stone. ROW TWO: J. Carpenter, R. Eads, C. Posnizk, R. Cornelison, S. Ambriz, J. Preston, J. Wolf, J. Koebsell. ROW THREE: M. Simonson, K. Kaneen, C. Korman, J. Mottram, R. Nix, R. Bodkin, J. Harkenrider, C. Strong.

Skills into Action

Despite the return of only two lettermen, Chuck Gibbons and Charles Emig, the Varsity Tennis Team enjoyed a successful season. Coaches Robert Brigham, David Scott, and Jeff Verner assisted the team with team captain Charles Emig.

Through individual effort in the Varsity Singles and combined effort in the Varsity Doubles, the team maintained the excellence shown in other sports at Mira Costa.

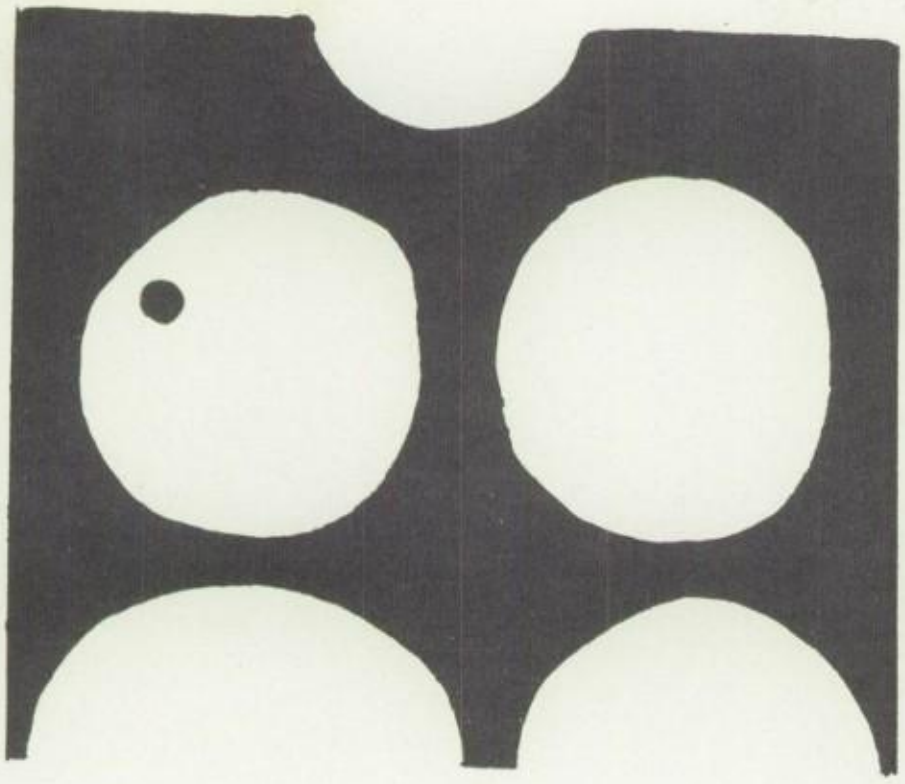
Develop Tennis Ability



This year the Mira Costa Junior Varsity Tennis Team, composed of eighteen players, perfected their skills and prepared to carry on the winning tradition of the Varsity Team. With characteristic Mustang enthusiasm, the J.V. Team learned tennis skills by playing and observing more experienced team members.

Coaches Verner, Brigham, and Scott concentrate on setting up a tournament.

ROW ONE: A. Wong, M. Davidson, C. Shockley, A. Vanick, D. Promack, C. Nelson. ROW TWO: B. McMahon, G. Antzoulatos, J. Thompson, S. Gifford, K. Shrode, D. Jeneks, J. Peck, C. Fleming.

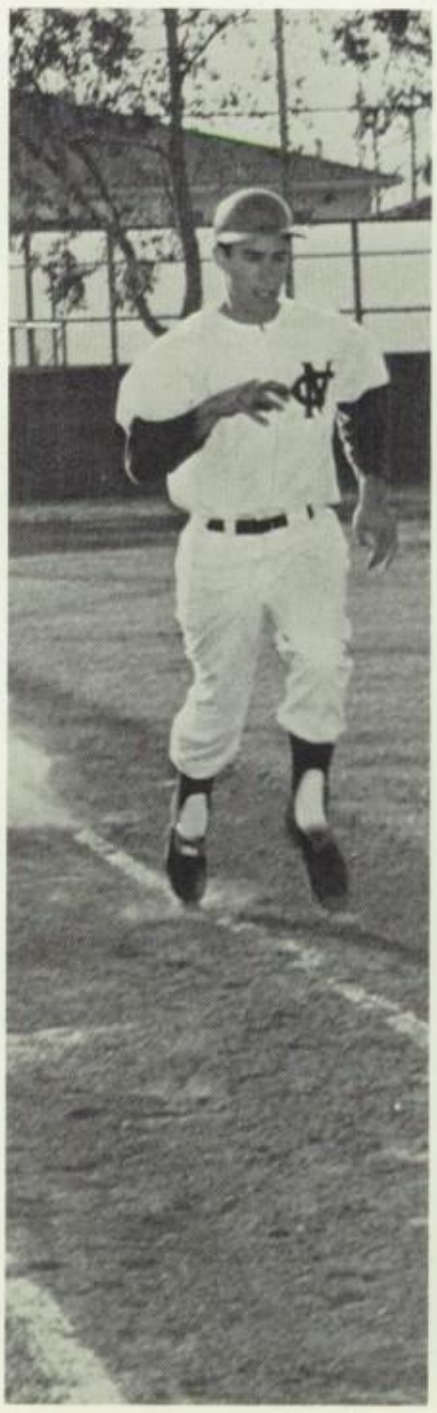
This year's Varsity Baseball team, inspired by Coach John Rhodes, finished one of the finest years in Mira Costa history. Led by three-year lettermen Frank Bailey and Bill Bellamy, the Mico nine disposed of the league's best. Rounding out what Coach Rhodes called his "best infield ever" with Bellamy at third and Bailey at shortstop, were John Featherstone at second and Ken Stenton at first. The hard-hitting outfield was composed of Kent Scanlon, Brian Miller, John Sain, and Barry Goodwin. Senior utility man, Jim Cook, adding much of the punch, was able to play any position. Catcher Pat Moore handled the pitching staff with the greatest of ease.



Pitchers Chuck Fuester, Ted Rahn, Tim Dayen, and Steve Burrows demonstrate pitching techniques.

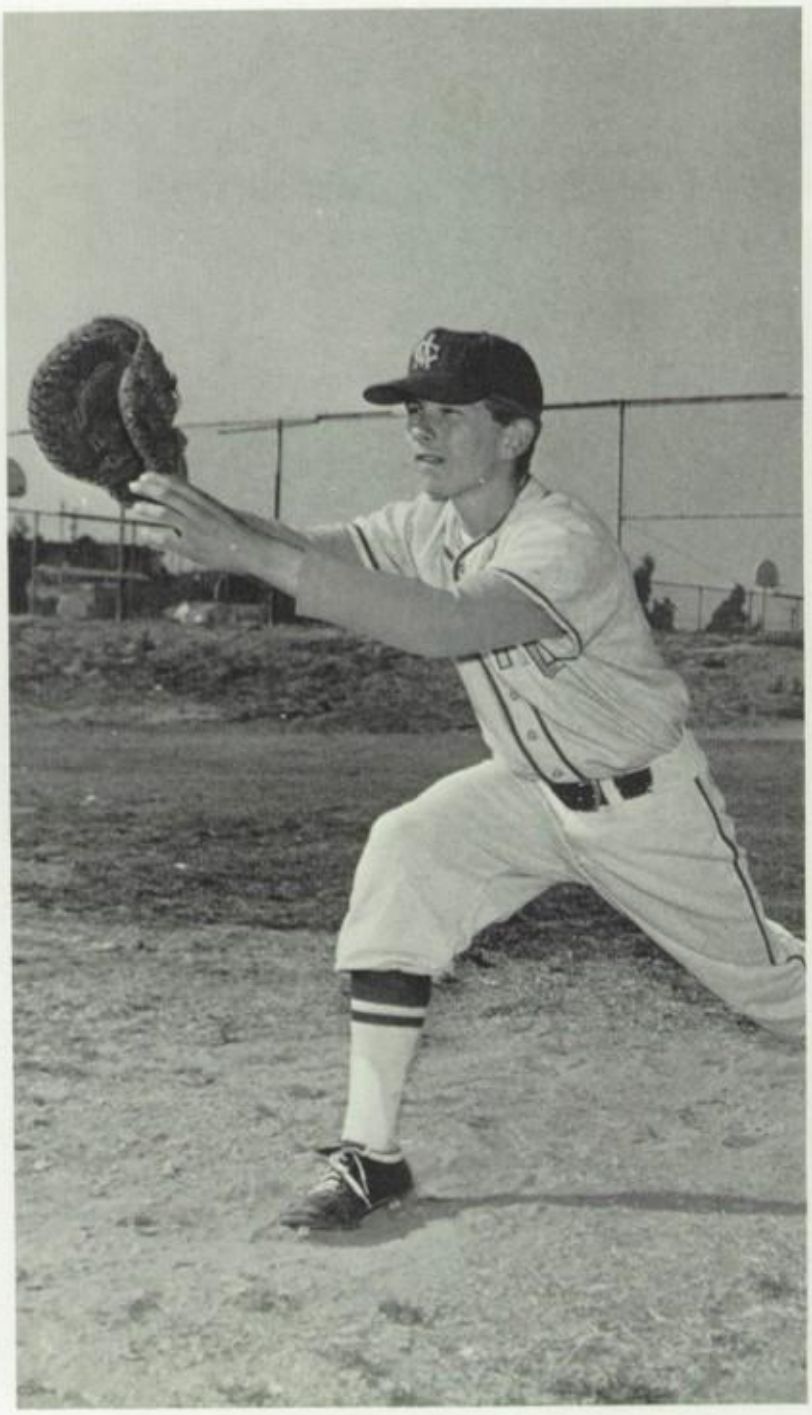
JUNIOR VARSITY

ROW ONE: R. Hilton, B. Molony, A. Brinkley, B. Krizman, M. Hoffee, J. Gutierrez. ROW TWO: K. Bailey, B. Kindoll, B. Spencer, D. Richland, C. Reese, J. Tappon, S. Swander. ROW THREE: L. Averill, M. Rogers, G. Wingate, M. Conklin, D. Fuehring, H. Foss, P. Amschler, Mr. Cooper.

The Junior Varsity team started the season with optimism. The reasons for this were the fine record of the previous year's Frosh team and the returning members of the 1966 J.V. squad. Veterans who were expected to lead this year's team were: Brant Spencer, third base; Lynn Averill, catcher; Murray Rogers and Mike Conklin, pitchers; and Cary Reese, shortstop. Freshman stars Dan Richland, Rick Hilton, Gary Wingate, Ken Bailey, and Barry Molony were additional assets to a definite league contender.

Great Defense Makes for Great Season



The strong point of Coach Bill Morris's Freshman Baseball team was an aggressive defense. Strong pitching by Jeff Jordon, Dale Wisdom, Rob Jacobs, Pete Edmunds, and Alan Griffin was capably handled by catchers Jim Parker and Greg Grouwinkle. The infield featured Kevin Bailey, Terry Fredricks, Tom Martin, and Kim Garitano, along with Mike Lauerman and Mike Quesnel. The outfield was patrolled by Mike Contreras, Larry Morlan, Tony Otis, Dan Simmons, Leonard Armato, Mike Nowell, and Steve Boyd. The team manager was Roy Davies.

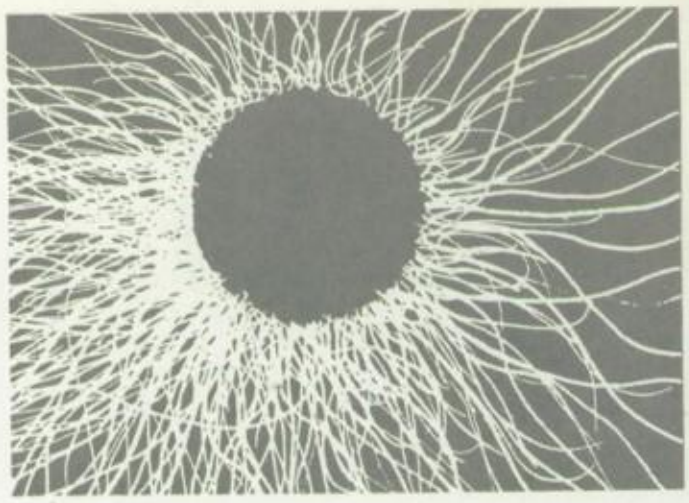
Capable Senior Officers: Treasurer Jane Miho; President Tokuji Fujizawa; Vice President Asa Wilson; Secretary Sandi Stockwell; and Historian Janet Strickley.



Excellence

June marked the end of four years of excellence in thought, expression, and accomplishment for the graduating Class of 1967.

During their first year at Mira Costa the Class of 1967 became acquainted with the new ideas present in the unfamiliar spirit of high school. In the following three years, excellence guided the class through the annual magazine drive and presentation of the Junior and Senior plays, THE CRUCIBLE and YOU CAN'T TAKE IT WITH YOU. Another of their accomplishments was the most successful Junior-Senior Prom in years. Four years of outstanding leadership—Freshman and Sophomore President John Featherstone, Junior President Steve Tracy, and Senior President Tokuji Fujizawa—was also a major reason for the excellence portrayed by the seniors. Led by Tokuji, they completed their last year at Mira Costa studying required courses and making final preparations for graduation.

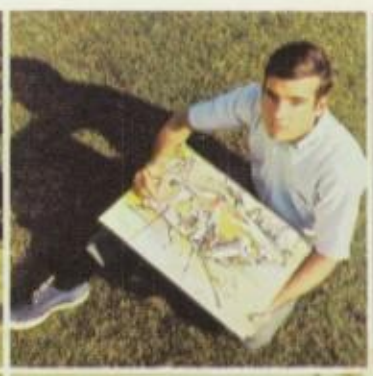
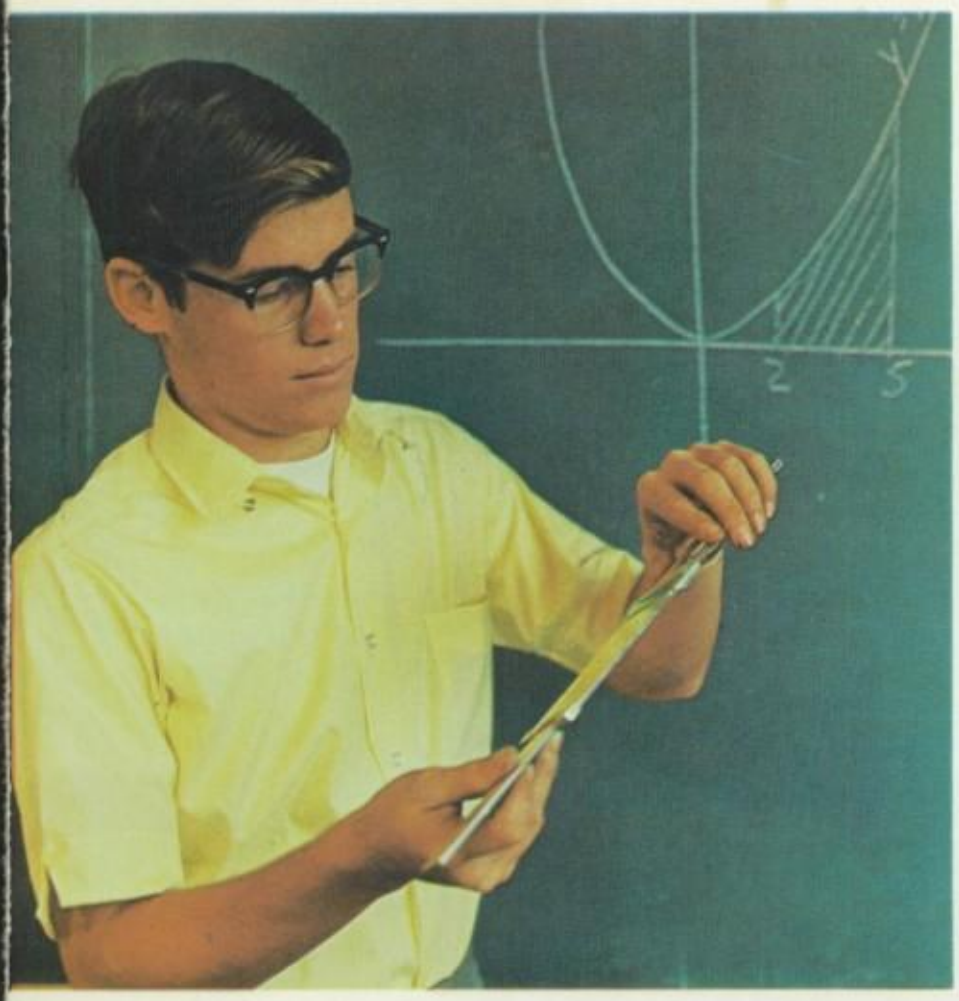
HOOFPRINTS HALL OF FAME

The Hall of Fame, now in its third year, is designed to give recognition to those students who are outstanding in particular areas of study. These students are chosen by all the teachers in each department on the basis of exceptional ability, initiative, leadership, and promise. This year eighteen students are honored. In some cases, two students qualify in the same category. In these instances, both students are equally recognized.



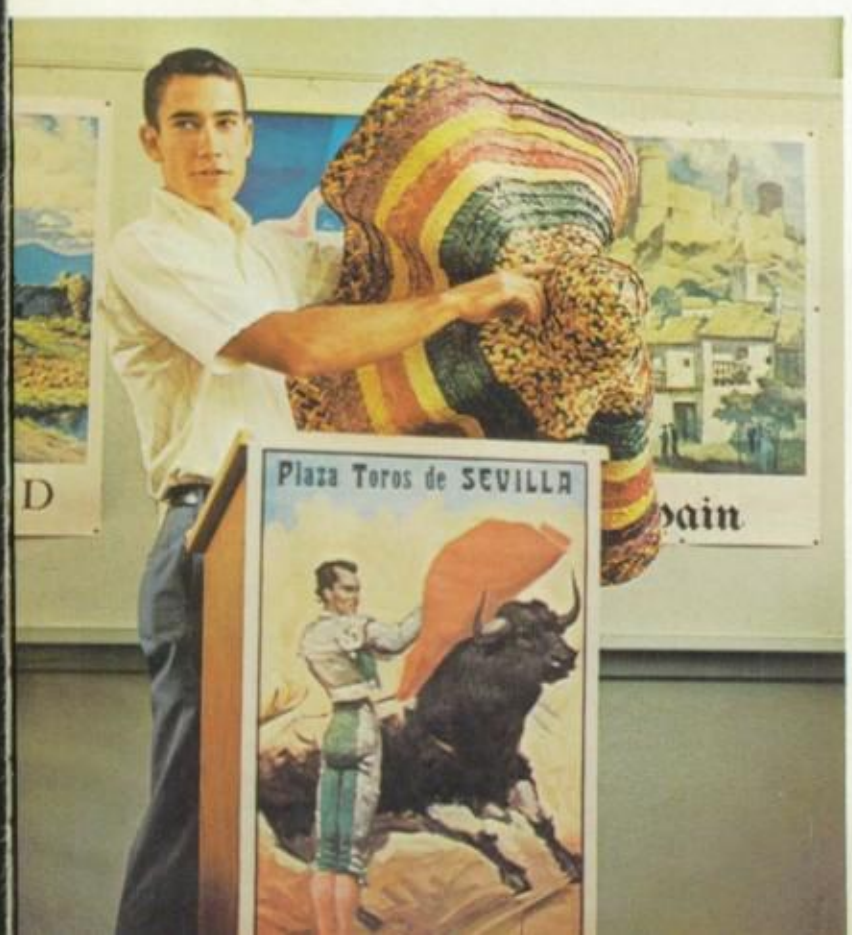


Chris Grossman
Mathematics

"I truly believe that math is the 'language of science.' Math has helped me understand concepts brought up in science classes, lectures, and special television programs." Chris Grossman plans to work in computer math and engineering. "It is engineering and analysis that are becoming stressed in today's society. The value that math has been to me in the past is small indeed compared to the value that it will have in later life."

Frank Bailey
Foreign Language

The Foreign Language Department has chosen to honor Frank Bailey in the Hall of Fame. Frank has studied Spanish for four years at Mira Costa. He feels that by living in California, one is constantly exposed to the Spanish language. Besides being able to recognize the Spanish names of California, Frank hopes to travel to Mexico where his language experience will be very helpful.



Susan Young
Hoofprints

Susan Young in her first year on the yearbook staff has been in charge of all advertising in the book. Susan has sold an impressive two pages of advertisements. Susan enjoys working on the yearbook because of "the closeness of working with people." Working on the book "brings out unknown talents and makes me feel closer to the school." Susan is thinking of future careers in dentistry, modeling, or airline hostessing.

Doug Wooley
Science

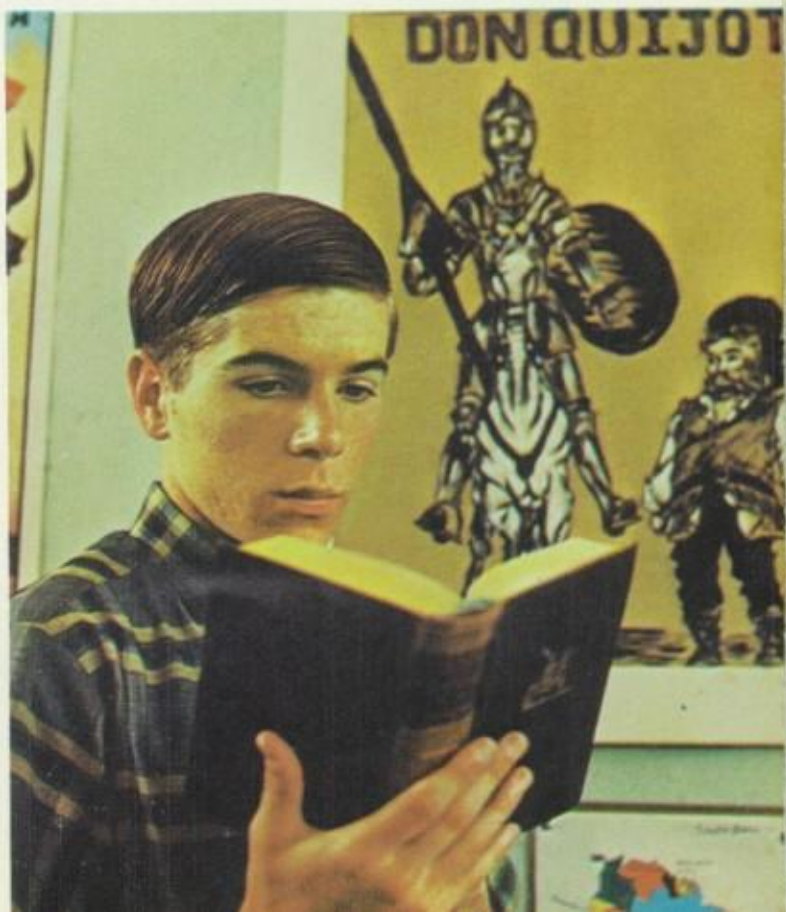
Doug Wooley, the Science Department's choice for Hall of Fame, sees an unlimited future for scientists. Doug has decided to further his studies in the physical sciences "because so much more is to be learned than is already known. I'd like to add to our knowledge." Doug is currently physics and hopes to major in this field at Stanford University. Upon graduation from college, Doug would like to teach and do research.

Kitty Roberts
Journalism

"By taking journalism I have become a part of a team—one which brings the news to the school and finds out the important things before others. I meet many interesting people and find out what goes on behind the scenes of the most important events." Even though Kitty is an active member of Quill and Scroll, the Ski Club, and the Student Council, she feels her work on the school paper has helped her to become more involved with the school.

Ed Barker
Foreign Language

Ed Barker, a fourth year Spanish student, feels the value of his Spanish studies is due to good instruction. He thinks his Spanish will be of great value when he starts college. He plans to attend the University of California at Santa Cruz. Ed may go into journalism or teach English after college. One of Ed's prime interests is water polo. He plays for Mira Costa's championship team.



Outstanding Stu

Linda Grazier
Social Studies

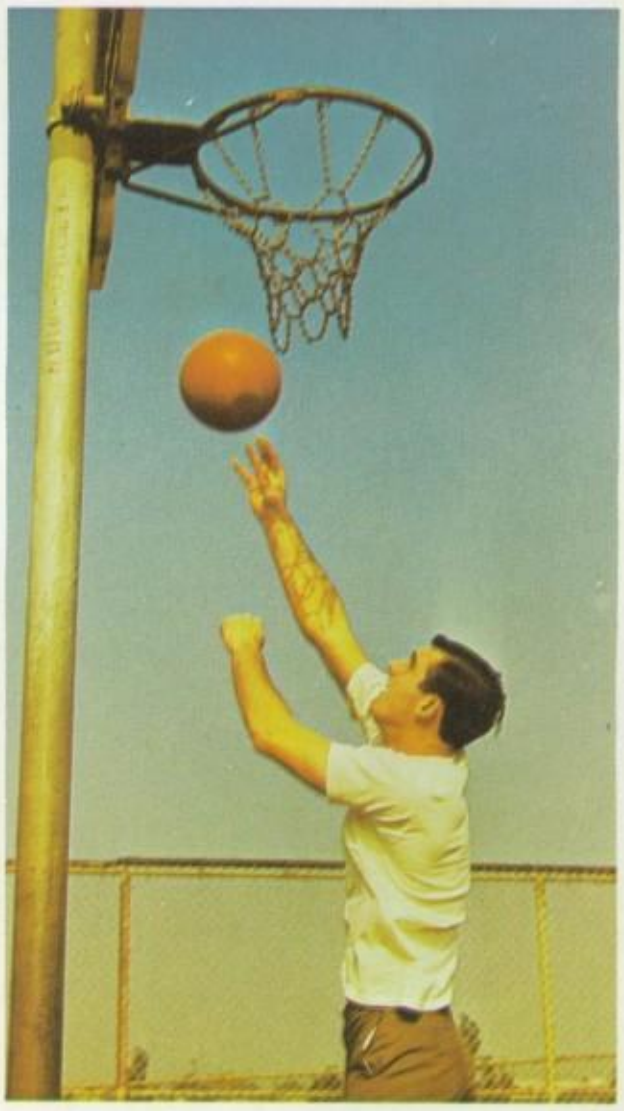
Linda Grazier, Mira Costa's Girls' League President, feels the importance of history "lies in recognizing and understanding political, economical, social, and intellectual trends." As a student of American government, Linda has become especially interested in studying varying political ideas. Linda plans to attend the University of California at Santa Barbara next fall.

Lynda Duffy
English

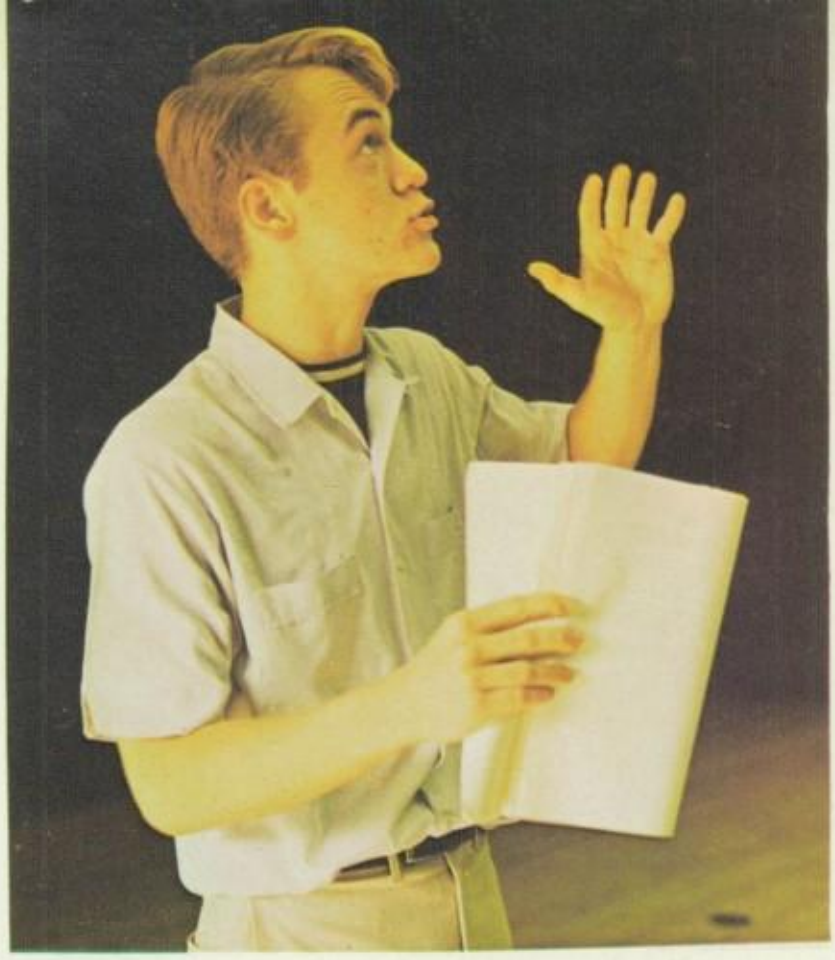
National Council of Teachers of English Nominee, Lynda Duffy, studies the English language as a science and as an art. "As a science, English has improved my analytical skills, helped me to communicate ideas more effectively, and even simplified my study of foreign languages. As an art, English has been, and is, a source of enjoyment." Lynda's tentative career plans include the Peace Corps, teaching, and learning. Psychology, philosophy, and writing are a few of Lynda's present interests.

Mike Reardon
Physical Education

Mike Reardon, representing the Boys' Physical Education Department, has a long history of participation in sports at Mira Costa. In his freshman year, Mike was a member of both the Junior Varsity football team and the Bee basketball team. As a sophomore he continued in Junior Varsity football, also playing Junior Varsity basketball. Mike's junior year marked his advancement to the ranks of Varsity football

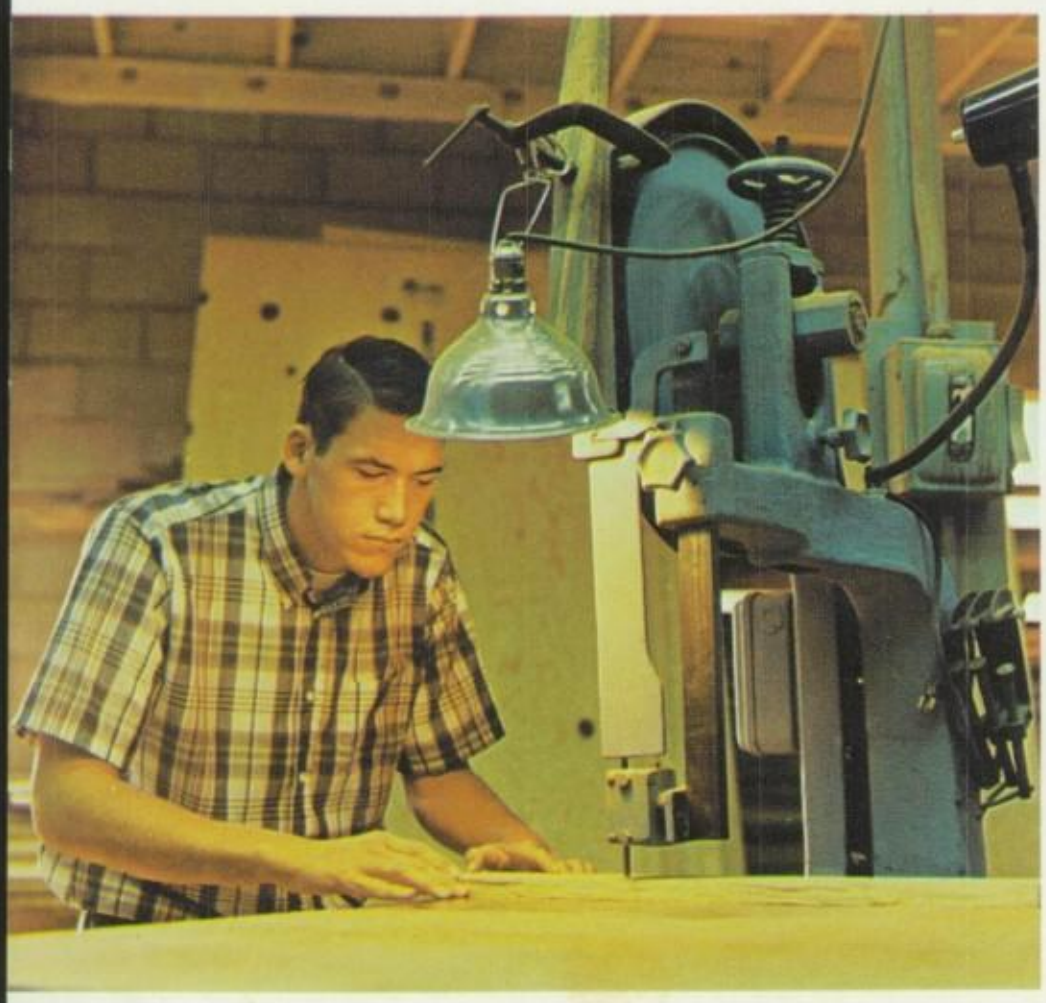


dents Honored



Galen Peoples
Drama

"I accidently took drama; and I liked it." This was Galen Peoples' start in drama. Galen, who has appeared in countless plays at Mira Costa, is President of the Mira Costa branch of the Thespians, a national dramatic society. Galen is also active as Editor of "Reflections", the school's literary publication, and co-founder of the Tolkien Society. Galen, co-cinematographer of the school film, sees film-making as a possible career.



Greg Simpson
Industrial Arts

Greg Simpson, the choice of the Industrial Arts Department for the Hall of Fame, has taken woodshop for four years. In these four years he has received an impressive number of awards. In the category of Beginning Wood, Greg received 1st Place at the Great Western Exhibit and 2nd Place in state competition. Later, in Advanced Wood, Greg again won a 1st Place at Great Western and another 2nd Place in state competition.

Tracy Phee
Drama

Tracy Phee, Vice-President of the National Thespian Society, is almost totally absorbed in "the separate, special world of the theater." Tracy loves everything about the theater; "the people, the line-learning, the late rehearsals, and the applause." Tracy's ultimate goal is to become a good actress. "Drama has given me my friends, my experience, but mainly, a goal. It's the reason I want to go to college and learn and improve."

Karen Ripley
Physical Education

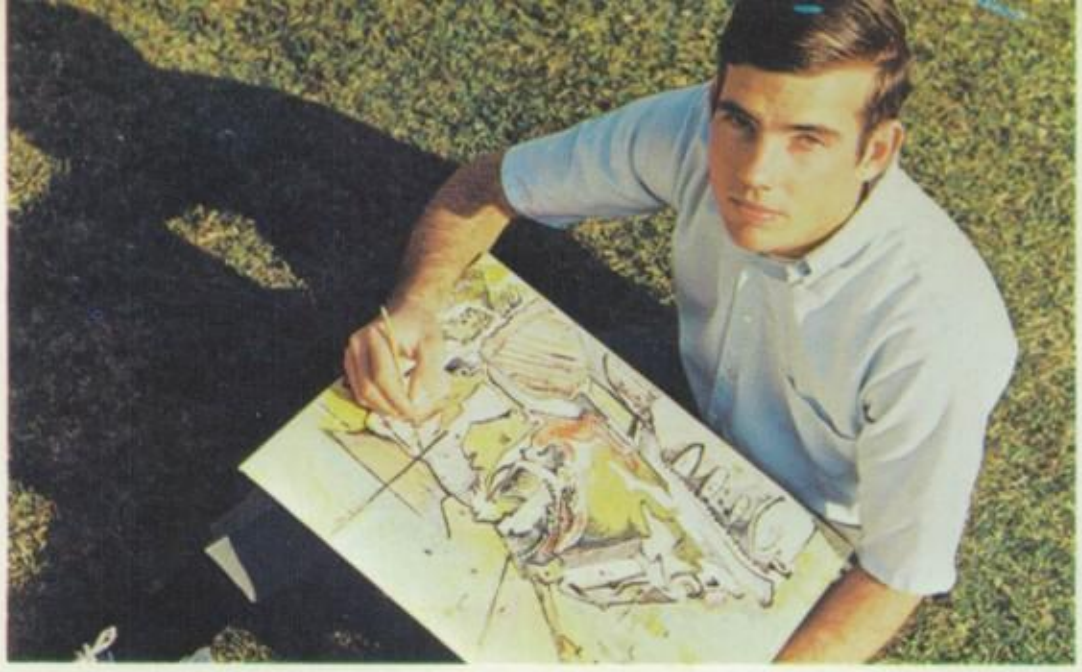
Karen Ripley's prime interest in her senior year has been Mira Costa's Drill Team. As Colonel of the Drill Team, she has been almost totally involved in organizing, directing, and participating in Drill Team performances. Karen would like to become a physical education teacher and dreams of having her own drill team. "I've learned so much about leadership. I feel all I've learned will help me in the future with a drill team of my own."

Pam Burnett
Business

Pam Burnett feels business is of great importance to everyone. "Most everyone will at some time need to communicate with people in the business world. Experience in business will help them to do it properly and effectively." Pam majored in business because it will help her in her career as an executive secretary. Pam's skills in shorthand, typing, and business machines have already helped her to get a job.

Chris Wing
Music

Chris Wing, Mira Costa's drum major, says of this position, "I've had the chance to experience leadership in its most important form—among fellow students who have known me for a long time." Not only is Chris a drum major, he also plays trombone in the school orchestra. As for the future, Chris plans to attend the University of California at Santa Barbara. He hopes to eventually teach history.



Ray Peters
Art

Ray Peters, one of the Art Department's choices for the Hall of Fame, has been previously honored with a Gold Key in the Bullocks Art Contest and an Award of Merit at the Pomona State Fair. Art has provided Ray with an ability "to create and to think of new ideas and repair old ones. It has also helped me to understand people better."

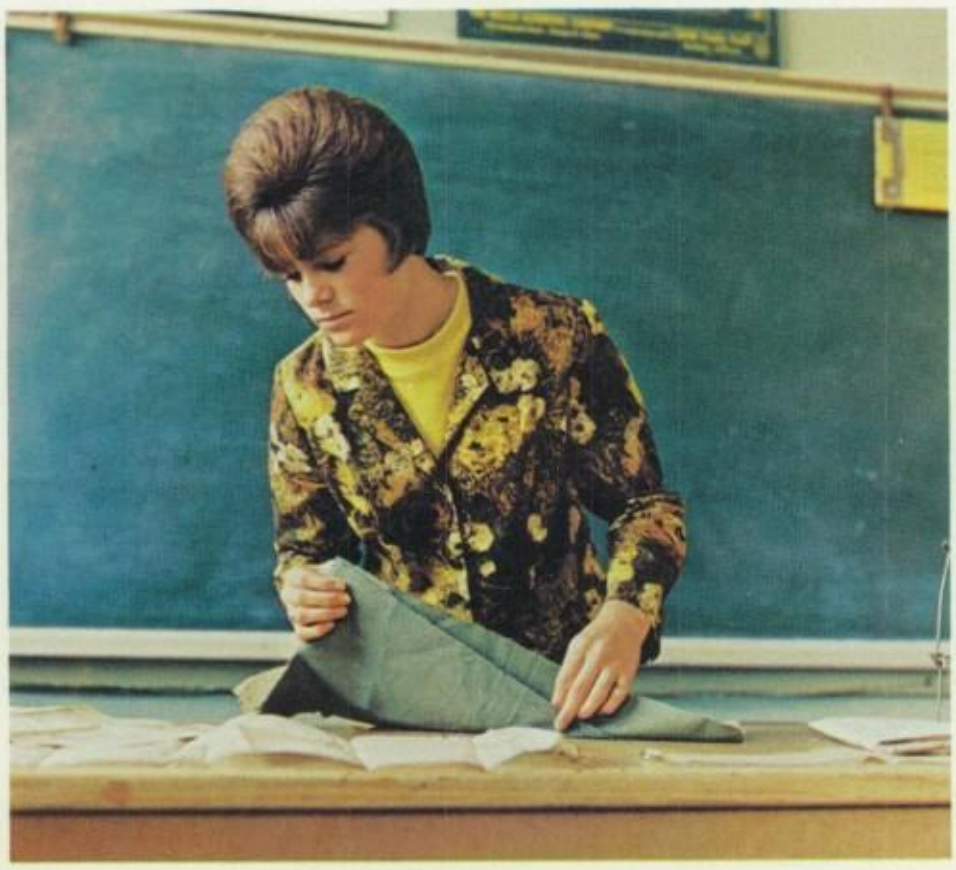
Laurie Weldon
Art

"Mainly I just enjoy art. It gives me satisfaction when I finish a painting and know that it is just a little different from anything else anyone else has ever done. Art is stimulating because you must think creatively and imaginatively." Laurie Weldon is the winner of a Gold Key in the Bullocks Art Contest. Not only interested in art, Laurie enjoys skiing, sewing, and horseback riding.

Accomplishment Gains Recognition

Rose Schmidt
Homemaking

Rose Schmidt mentions the homemaking and their guidance as reasons for her success in homemaking. Rose feels the value of her four years in homemaking will be evident in the future. Her experience will help her to manage, organize, and decorate her home. After graduation, Rose would like to study for a time at El Camino and become an airline stewardess and later a secretary. Besides sewing and cooking, Rose enjoys swimming, bowling, and horseback riding.



Rebellion Stimulates Leadership

Christie Karicoffe, Secretary; Cal Stevens, President; Jo Bosacki, Vice-President; and Barbie Craven, Treasurer; lead the Junior Class through any kind of weather.

The Junior Class of '68 led a rebellious year gaining privileges and recognition. For the first time at Mira Costa, the Juniors put candidates up for office in the ASB elections and were elected to every office except one. With Cal Stevens, President; Jo Bosacki, Vice-President; Christie Karicoffe, Secretary; and Barbie Craven, Treasurer; the Juniors inspired enthusiasm and school spirit to make a successful year.

1967 was an industrious year for the sophomore class. Led by Clayton Shepherd, President; Mike Glatt, Vice-president; Denise Stevenson, Secretary; and Claudia Rich, Treasurer, the sophomores completed the first half of their high school career. Helping the sophomores through a successful year were Mrs. Butterfield, their counselor, and Mr. Burdick, the sophomore sponsor. Sophomores looked forward to being upper classmen by voting for their class ring. Participating in various classes, clubs and sports offered to them, they prepared enthusiastically for their future.

Kimberly Andrews

Brad Haga, President; Janet Nessman, Vice-President; Suzanne Evans, Secretary; and Janet Attwood, Treasurer; lead the freshman class in the discovery of library facilities.

The class of 1970, looking forward to their graduation in a new decade, began their freshman year by electing class officers: Brad Haga, President; Janet Nessman, Vice-President; Janet Attwood, Treasurer; and Suzanne Evans, Secretary. Under their capable leadership, the freshmen topped all other classes in the annual Magazine Drive, and showed traditional Mustang Spirit. The freshmen also planned for their next three years under the guidance of counselors, Miss Risse and Mr. Bleidistel. Helping to plan their participation in various school activities was Mrs. McVey, Freshman Class sponsor. As the end of the year approached the freshmen were well prepared to take on their role as sophomores.

K.C.

I guess I'll dominate a page and say, "As you slide down the bannister of life, remember me as one of the splinters."
There are many things I could say all of which are indecient. Actually, I wish you all the luck in the world at U.C.L.A. but since "all the world" is a stage, I wish you a stage of luck in the next years.

As one Irishman to another, "There is a time for everything and it's about time"

So next time your passing through the beland of rum say "Hi" to all the ballbearings

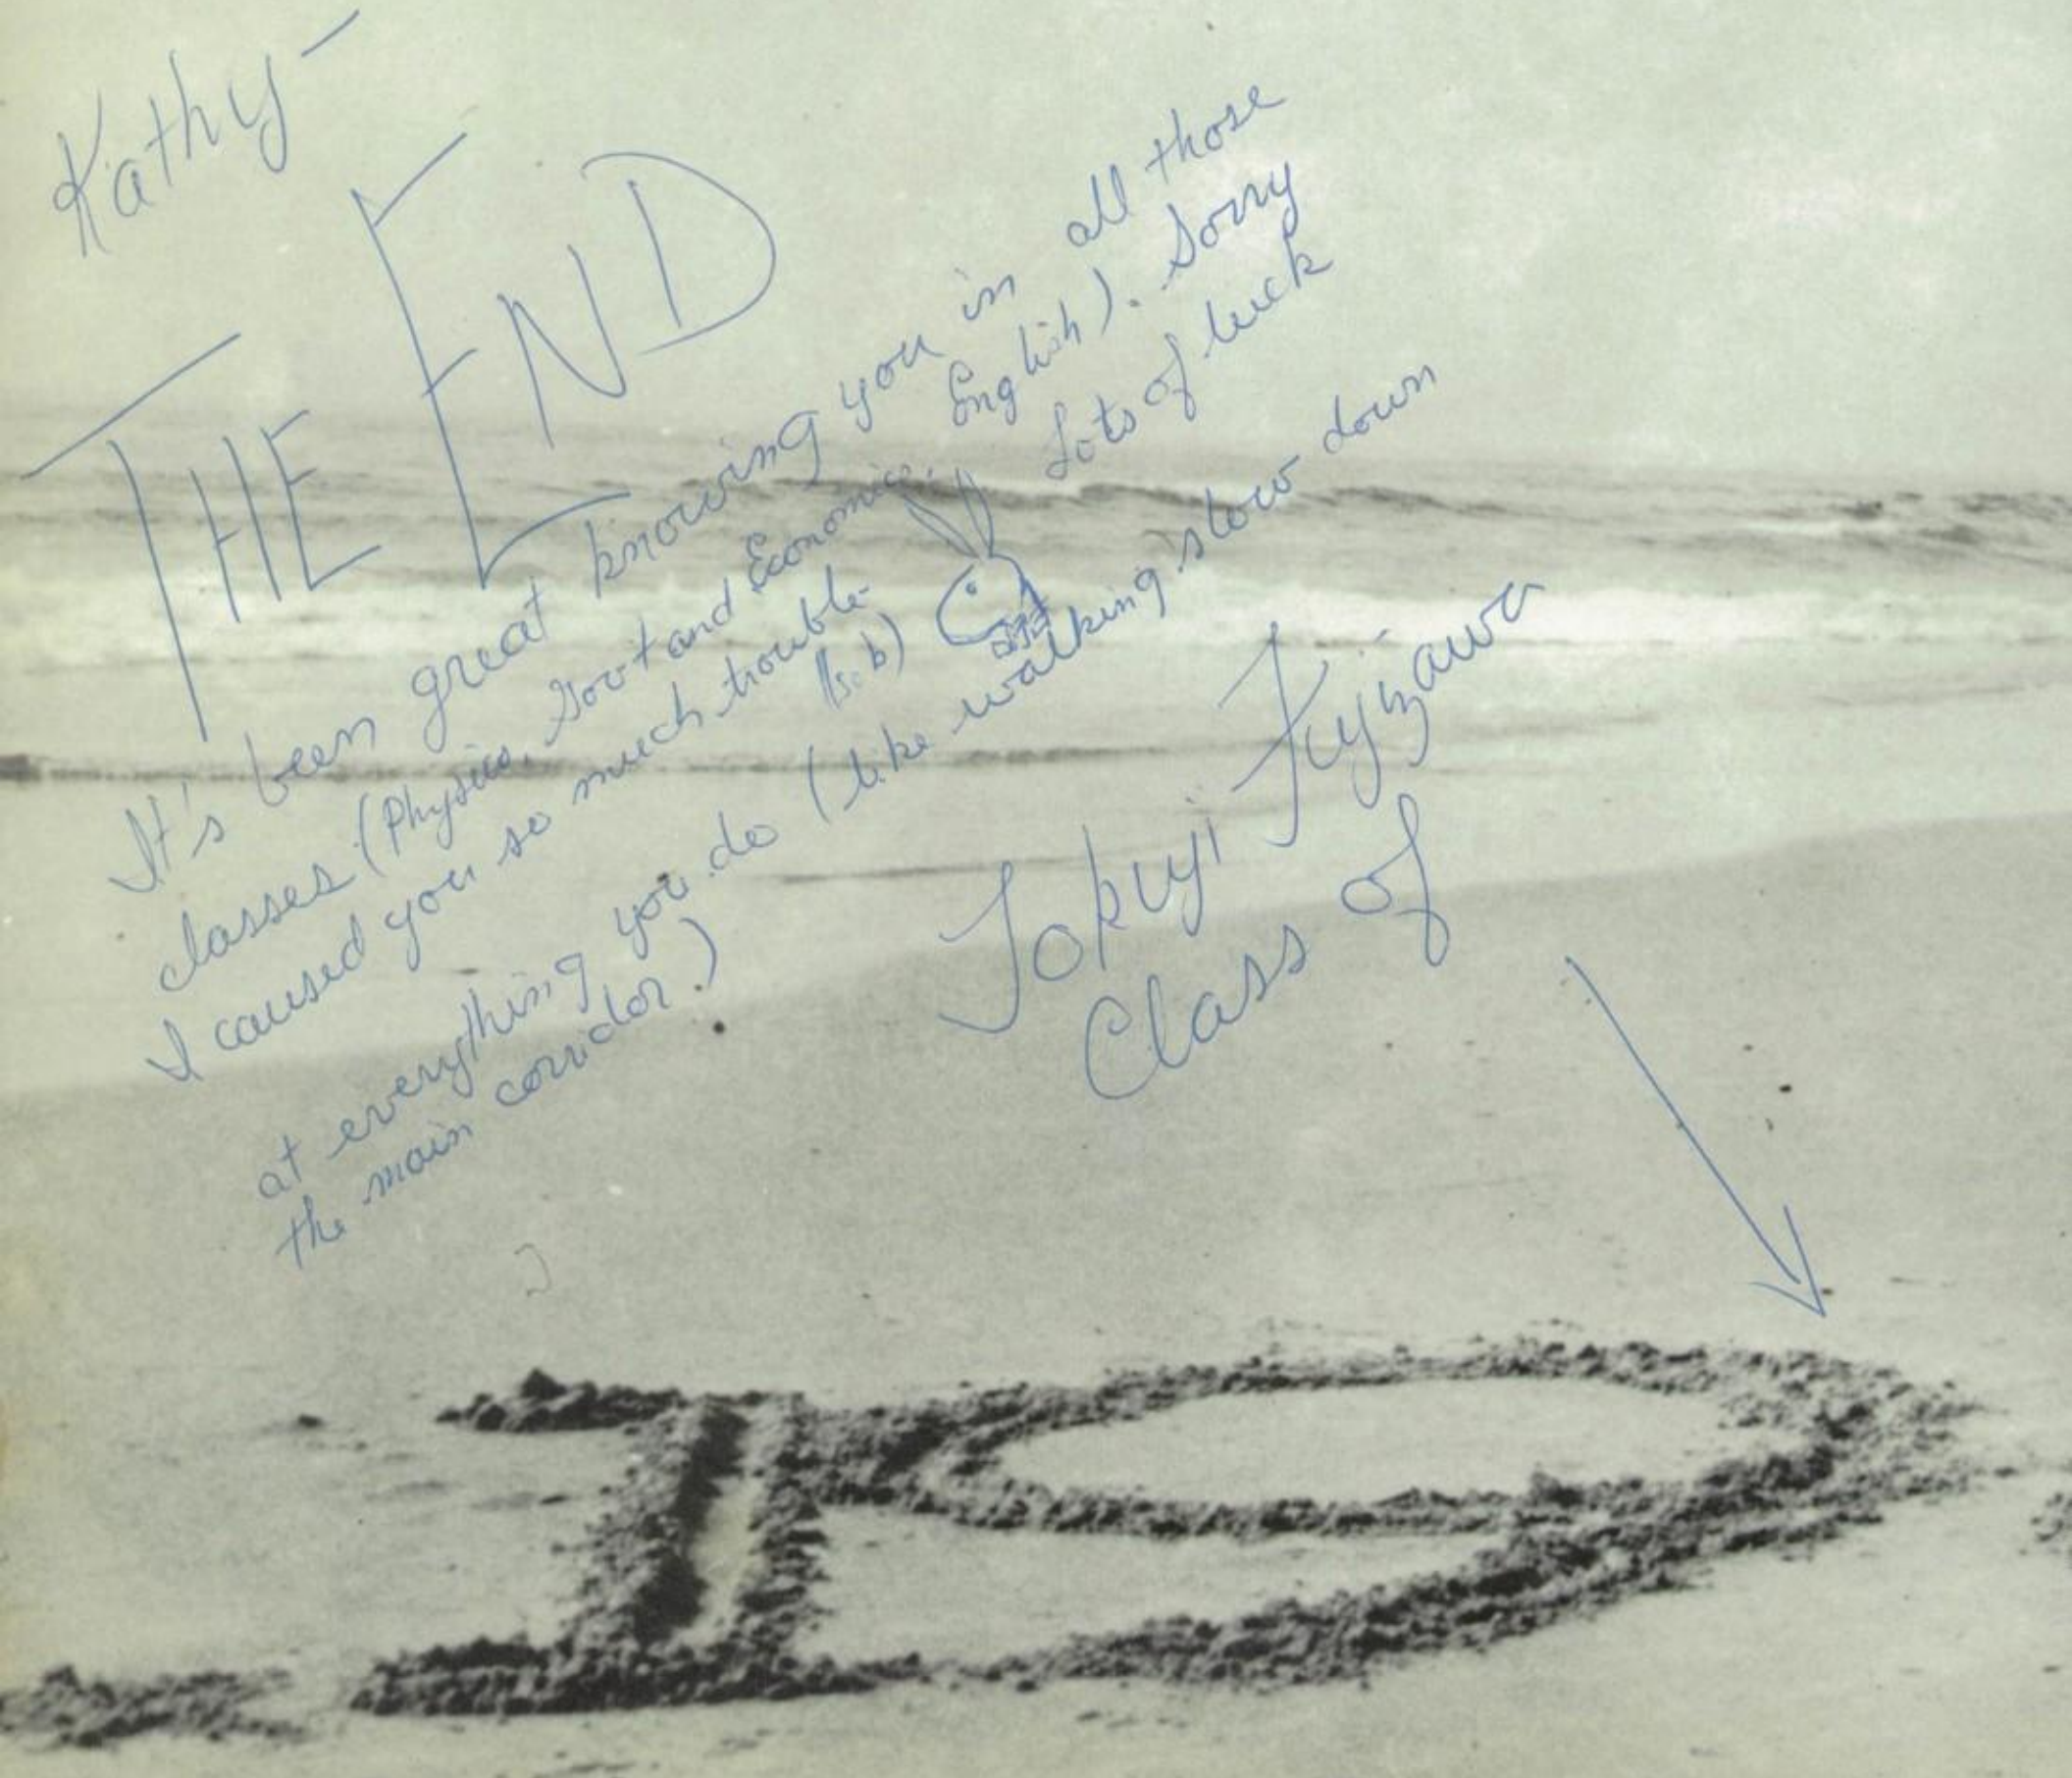
C. C. DONAHUE

We, the class of 1967, have much to remember from our four years at Mira Costa. It has been a time of countless new experiences, accomplishments, and friendships. From the faculty we have received guidance and instruction and from the school itself a sense of belonging and comaraderie.

As freshmen, we were somewhat amazed at the wide variety of activities and courses offered. Encouraged to participate in school functions and projects, we joined clubs and sports teams. John Featherstone was President; Steve Tracy, Vice-President; Linda Wilson, Secretary; and Jeanne Hauerwaas, Treasurer. As a class we set a new standard for making money in the annual magazine drive with Kady Hoffman selling the most subscriptions.

The sophomore year brought new interests and greater responsibilities. Many students learned business practices through Junior Achievement and driving skill in Drivers' Training. We discovered that homework took more time than we had hoped, yet boys became more involved than ever in sports, and girls eagerly tried out for Drill Team. HOOFPRINTS selected Chelly Knowles as Miss Hoofprints for 1965. We were led by John Featherstone, who was again elected President, with Roxanne Larkin, Jane Miho, and Mary Jo Smith assisting as Vice-President, Secretary, and Treasurer respectively.

With the growing maturity that comes with the junior year, we took more advanced courses and enjoyed greater school participation. Class officers were Steve Tracy, President; Tokuji Fujizawa, Vice-President; Linda Grazier, Secretary; and Sandy Stockwell, Treasurer. The successful production of the Junior Play, THE CRUCIBLE, helped



Kathy -
THE END
It's been great knowing you in all those classes (Physics, Alg. II and English). Sorry I caused you so much trouble. Lots of luck (& b) in everything you do (like walking slow down the main corridor!)
Tokuji Fujizawa
Class of

finance the Junior-Senior prom. Two members of our class were selected as AFS exchange students—Peggy Kratka, who went to Australia, and Steve Tracy, who went to Switzerland. We developed strong ties to Micohi because of our involvement with Girls' and Boys' Leagues, service organizations, HOOFPRINTS and LA VISTA.

Our senior year was one of mixed emotions and interests. We were sorry to leave the wonderful group of friends that we had come to know so well yet we looked forward to graduation. Now possessing senior privileges, school activities were more important than ever but we spent a great deal of time planning for college and future jobs. With Tokuji Fujizawa as President; Asa Wilson as Vice-President; Sandy Stockwell as Secretary; Jane Miho as Treasurer; and Janet Strickley as Historian, we completed our high school career. We were busy getting senior pictures and graduation announcements, ordering caps and gowns, and purchasing a senior class picture. The year's successes included the class play, YOU CAN'T TAKE IT WITH YOU, the Coronation Ball, CAMELOT, and the Christmas canned food drive. We formed cultural ties through close association with AFS students Mike Acritas from Greece and Suyanee Naganidhi from Thailand. At graduation, several of our classmates were Sealbearers and many were honored with awards and scholarships. Although we have left our school and the guidance and encouragement we received there, we, the class of 1967, will always be united by a feeling of pride in Mira Costa.

Kathy,
Looks like we made it through another year. I don't know if we'll see you again after we graduate, but I know we have to keep in touch. Best of luck in college and the future.
Your friend always,
Camilla

Kathy
Another year has ended and I guess we really should be sad, but I'm not. However, not having Rouse anymore will take some getting used to. Best of luck in college and hope to see you around.

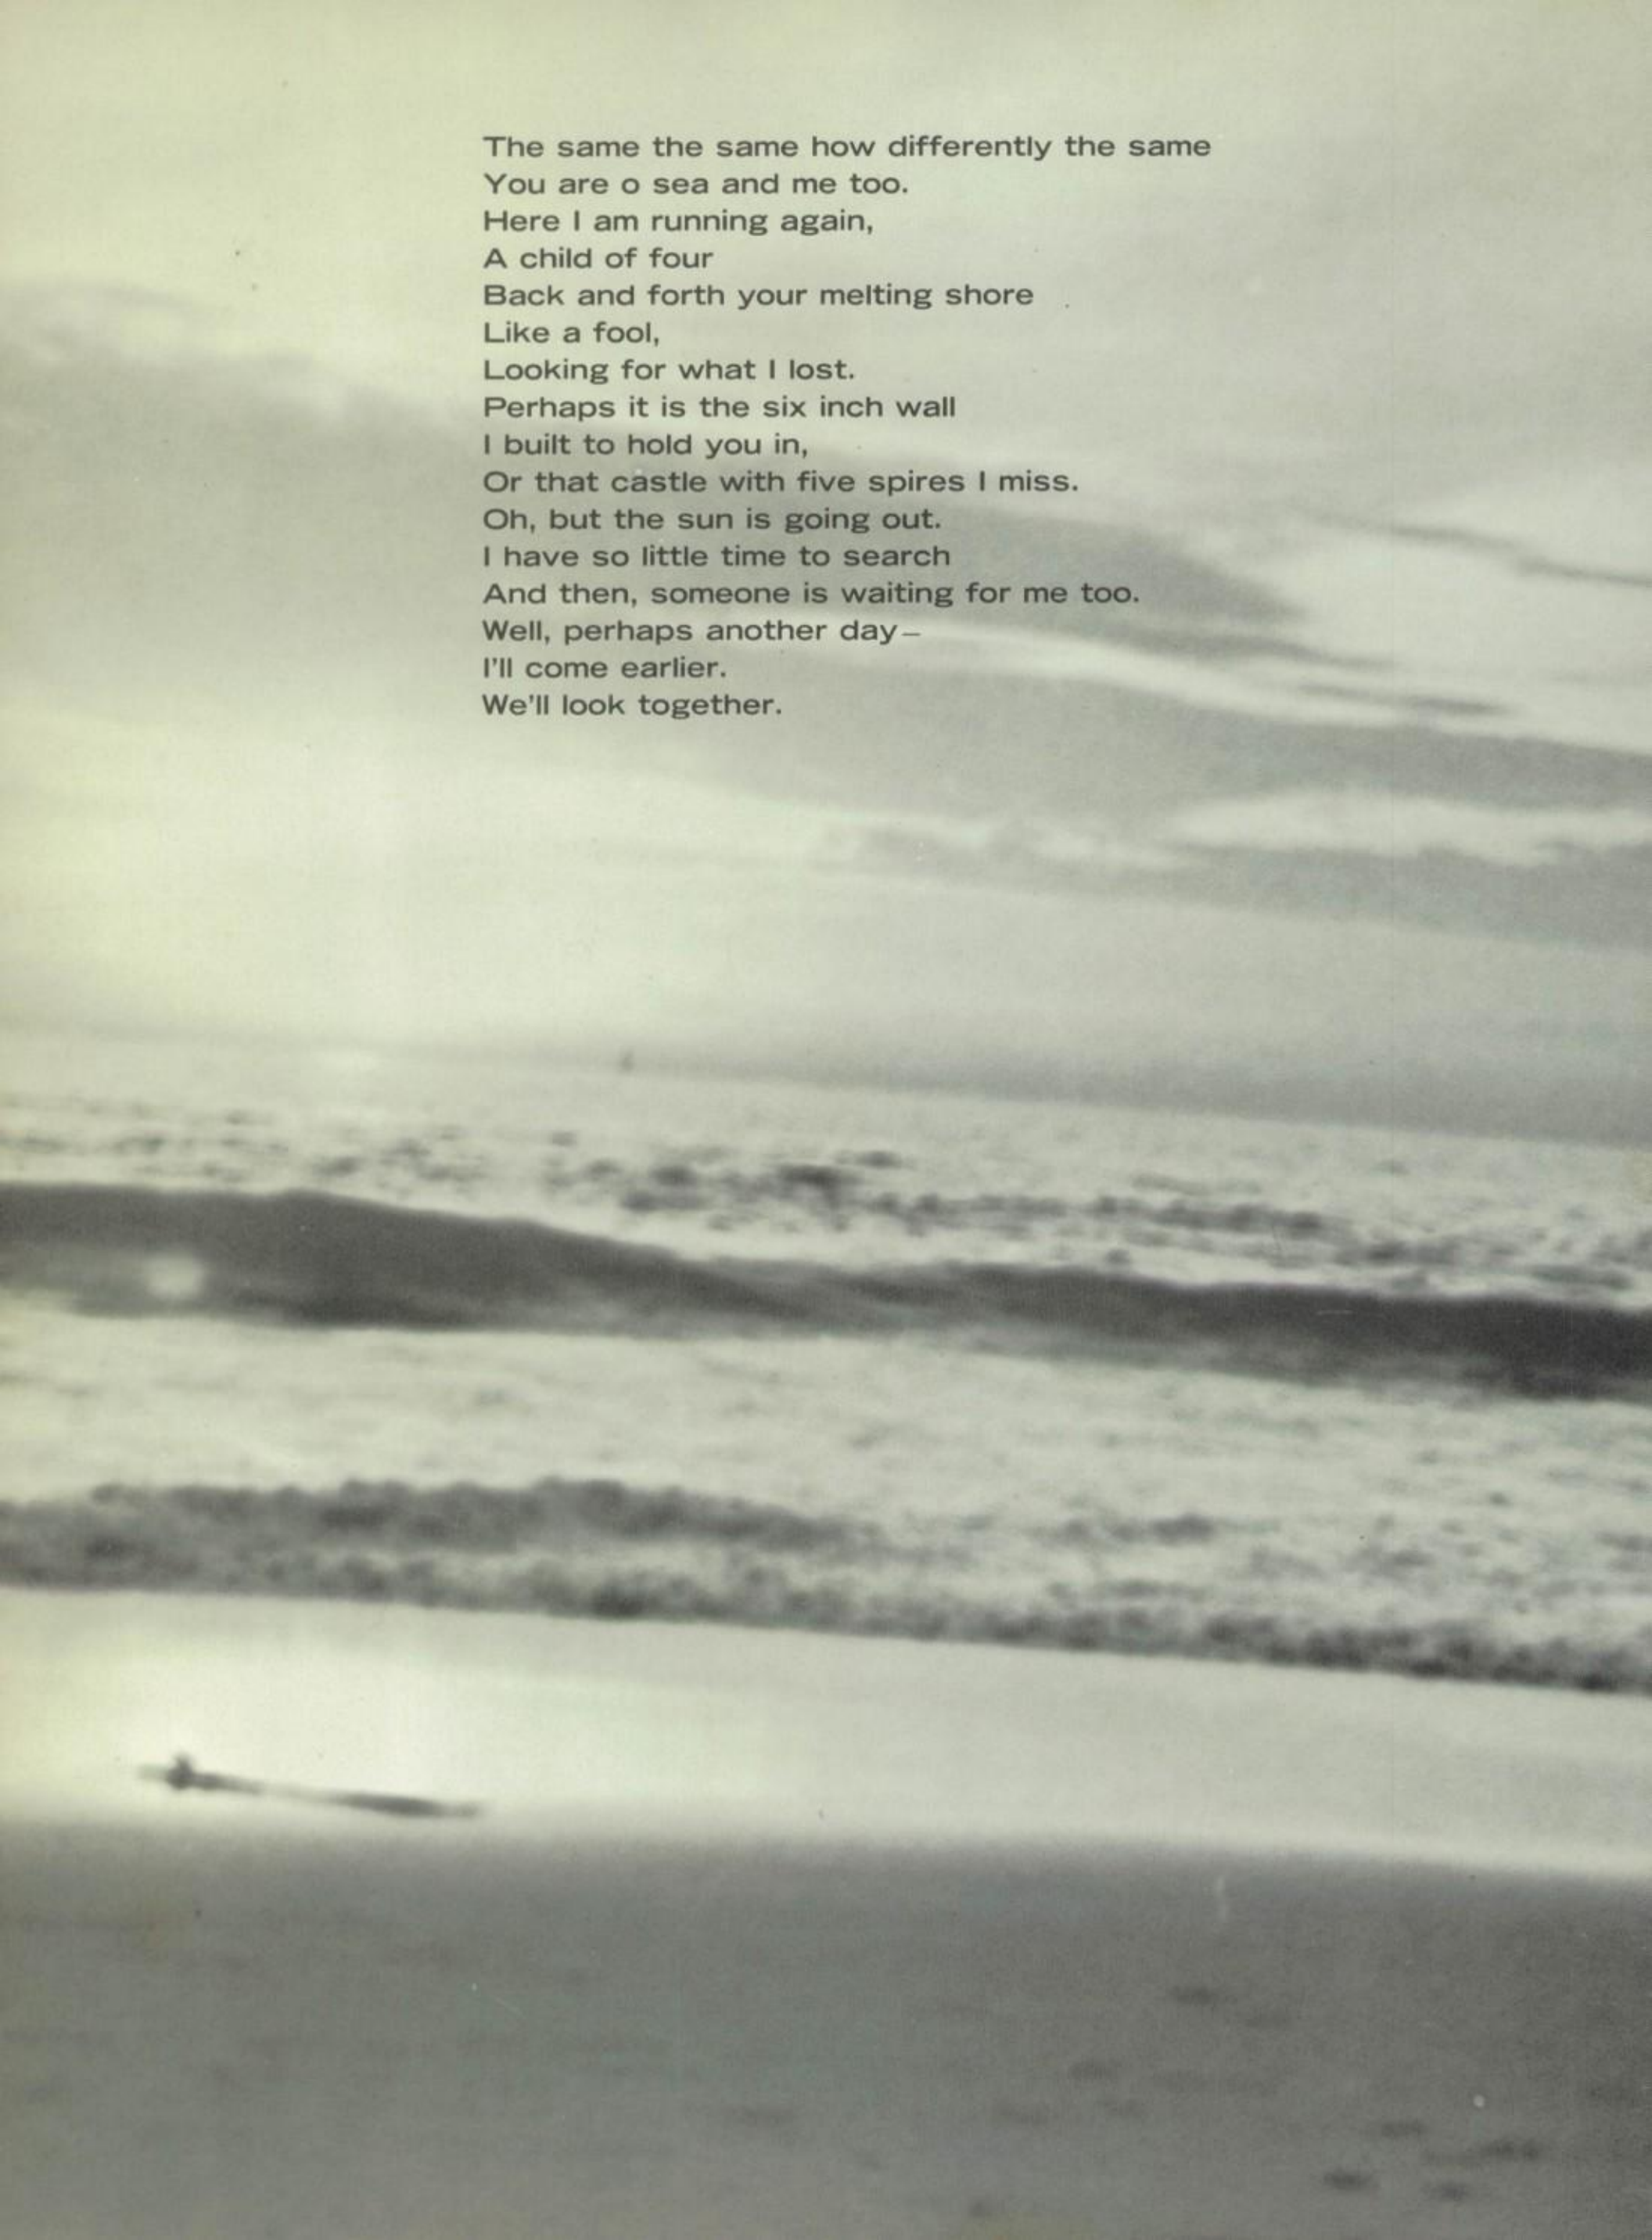
The same the same how differently the same
You are o sea and me too.
Here I am running again,
A child of four
Back and forth your melting shore
Like a fool,
Looking for what I lost.
Perhaps it is the six inch wall
I built to hold you in,
Or that castle with five spires I miss.
Oh, but the sun is going out.
I have so little time to search
And then, someone is waiting for me too.
Well, perhaps another day–
I'll come earlier.
We'll look together.



Kathy,
It's been a pleasure
sitting in front of
you in Physics. Have fun

Well, Kath—
I don't know
you nearly as well as
I should like. It seems it's
just begun, and yet it's over.
I wish I could get to
know you better — I've enjoyed it
so much. If that is not to be, my best
wishes for success & blessing, always.

Kathy,
Taking swimming
with you was really a
blast. You were very
helpful at times when
a cloddy like
me needed a little (a lot)
of help. Thanks muchly,

Kathy,
I'm sorry I couldn't
be of more help. I'm sure
you'll do fine in Beautiful Oregon.
Keep in touch - Beautiful
would be a terrible place
to lose touch with.

Kathy - to my friend with my name - I never know what to say in these books - but here goes - have many more fun vacations in Newport - Don't burn yourself off the board in Panama. Make the Deans list at UCLA - Don't contract Coleman too much (ha!) Let's plan a 1yr reunion at something, okay if not I'll see ya in 5yrs - Oh that's a long time - you'll probably be married at something - Shall I miss the old cliché + say "good luck" anyway do -
